A photograph of a happy family of four on a beach. A father and mother are in the foreground, smiling warmly at the camera. The mother is leaning her head on the father's shoulder. Two young children are behind them; a boy is perched on the father's shoulders, laughing joyfully, while a girl is leaning over the mother's shoulder, looking down with a smile. The background is a soft-focus view of the ocean and sky. Overlaid on the image is the text "Family: Character of people." in a large, blue, italicized serif font.
