

THIS CAR BELONGS
TO SAM.

(ЭТА МАШИНА ПРИНАДЛЕЖИТ
СЭМУ.)

THIS IS SAM'S CAR.

(ЭТО МАШИНА
СЭМА.)

- 
- The background is a solid green color with a subtle gradient. In the four corners, there are decorative patterns of light green lines and circles, resembling a circuit board or a network diagram. The lines are thin and connect to small circles of varying sizes.
- **This notebook
belongs to Jane.**

The background is a solid green color. In the four corners, there are decorative elements consisting of thin, light green lines that resemble circuit traces or fiber optic paths. These lines connect to small, hollow white circles, creating a network-like pattern. The lines are most prominent in the top-left and bottom-left corners, and less so in the top-right and bottom-right corners.

- **These suitcases**

belong to our guests

The background is a solid green color with a subtle gradient. In the four corners, there are decorative elements consisting of thin, light green lines that resemble circuit traces or a stylized tree structure, ending in small circles.

- This bedroom

belongs to my son

- 
- The background is a dark green gradient. In the corners, there are decorative elements consisting of light green lines and circles, resembling a circuit board or a network diagram. These elements are positioned in the top-left, top-right, bottom-left, and bottom-right corners.
- These keys belong to Mark.

- 
- The background is a solid green color with a subtle gradient. In the four corners, there are decorative elements consisting of thin, light green lines that resemble circuit traces or neural network connections, ending in small circles.
- This painting belongs to Picasso.

The image features a dark green background with a subtle gradient. In the four corners, there are decorative elements consisting of light green lines and small circles, resembling a circuit board or a network diagram. The text is centered and reads:

These poems
belong to Pushkin.

The background is a solid green color. In the four corners, there are decorative elements consisting of thin, light green lines that resemble circuit traces or a network diagram. These lines connect to small, hollow circles of the same color. The lines are more dense in the bottom-left and top-left corners and more sparse in the top-right and bottom-right corners.

- This helicopter

belongs to our boss.

The background is a solid green color with a subtle gradient. In the four corners, there are decorative elements consisting of thin, light green lines that resemble circuit traces or neural network connections, ending in small circles.
