Mike

My friend's name is Mike and he is 24 years old. He works as a programmer in a big company. I would like to tell you some words about how he looks.

First of all, he is very tall. He is 193 cm high. But he is also very thin. He does sport: karate and try to eat regularly and healthy food but it is still difficult. His hair is brown and so are his eyes. His eyebrows are not very thick. He has a straight nose and an oval face. He doesn't have a mustache or a beard. He is handsome and smart.

He is a man of mood. He is usually very sociable and active, has a good sense of humor and likes joking. He likes wearing casual clothes, like jeans, t-shirts and trainers. But for work he wears a grey or black suit and a tie.
