

Looking at adults, we wonder why many of them have studied a foreign language at school for a long time, but most do not speak it.

## 5 problems of studying a foreign language:

- 1. Inability to speak a foreign language.
- 2. Inability to understand foreign speech by ear
- 3. Forgetting words
- 4. Porridge of the tenses
- 5. Inability to think in a foreign language.

## English is a skill that you can only acquire by training it.

The solution

of the problem is practice, practice, practice!!!

#### The problem of the great and terrible English Tenses

## Devil is not so black as he is painted.

# The system of Present Tenses Our funny explanation

It helps us to overcome the problem with porridge of tenses

Tanya is a little pretty girl. She likes to walk and play with her ball. (The action takes place constantly, so we choose the Present Simple

Tense) Вспомогательные глаголы:

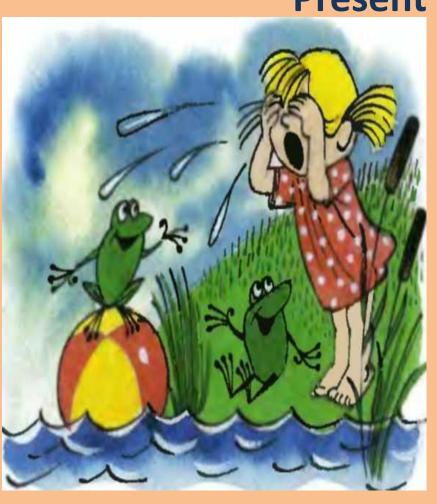

- Do, does \\\Am, Is, Are
- Слова-помощники:
- Every day, always, often, usually.
- Значение: действие обычное, происходит постоянно
- Соответствует глаголам несовершенного вида в русском языке

#### Tanya is crying now. (The action is ongoing, so we choose Present Continuous)

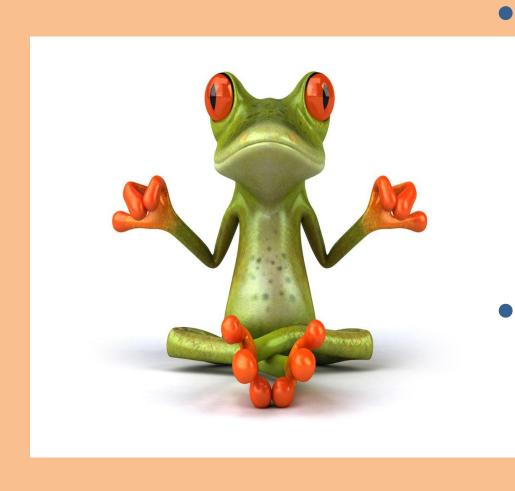

- глаголы:
- Am, Is, Are
- V -ing
- Слова-помощники:
- Now, at the moment.
- Значение: действие длится в данный момент
- Соответствует глаголам несовершенного вида в русском языке

# Her ball has just fallen down to the river (Everything has already happened and the result is important for us, so we choose Present Perfect)

- Вспомогательные глаголы:
- Have, has
- +
- V 3
- Слова-помощники:
- Already, just, recently.
- Значение: действие уже произошло, а нам важен его результат. (Соответствует глаголам совершенного вида в русском языке)

### Tsss, little Tanya, don't cry. (Imperative Mood)

• В отрицательной

форме добавляется глагол do + not

• Значение: просьба или приказ

#### Rubber balls don't drown (The action takes place constantly, so we choose the Present Simple) • Вспомогательные

- глаголы:
- Do, does \\\Am, Is, Are
- Слова-помощники:
- Every day, always, often, usually.
- Значение: действие обычное, происходит постоянно
- Соответствует глаголам несовершенного вида в русском языке

### We shared with you our first experience and we hope for leniency.
