Does the Country Mouse like her friend's house?

No, she doesn't.

Why?

**The year has got
4 seasons:
spring, summer,
autumn and
winter.**

A photograph of a forest stream with birch trees and reflections in the water. The text is overlaid in the center in a large, bold, orange font.

**Spring
months are
March, April
and May.**

**Summer
months are
June, July
and August.**

A vibrant background of autumn leaves in shades of yellow, orange, and red, set against a clear blue sky. The leaves are scattered across the frame, with some in sharp focus and others blurred in the background.

**Autumn
months are
September
October and
November.**

**Winter
months are
December,
January and
February.**
