*SAINT VALENTINE'S DAY IS A DAY FOR
SWEETHEARTS. YOU CAN SEND CANDLES OR FLOWERS
TO SOMEONE YOU THINK SPECIAL. MOST PEOPLE SEND
VALENTINE CARDS.*

❖ There are many symbols on Valentine Cards. And each has its special meaning. A fan shows that you open your heart to a person you love. A ribbon shows that you want to be tied to another special person. A ring is a symbol of love and binding to another person. When a man gives a ring to a woman they are engaged. Lace shows that you want a special person to be caught in the net of your heart. A red mitten is a sign that you don't like someone. So when a person gives you a red mitten he says «I don't like you». A coin shows you will marry a wealthy person. So if someone gives you a coin he/she is wishing you to be wealthy.

- ❖ I love you .
- ❖ I'm crazy about you.
- ❖ I don't like you.
- ❖ I don't care about you.
- ❖ I'm in your net.

-
- ❖ You are my sunshine,
❖ You make me happy when skies are grey.
❖ You'll never know, dear,
❖ How much I love you,
❖ Please don't take my sunshine away.
