

Foreign languages in my life. "To be or not to be"

The problem:

knowledge of foreign languages is important in our life, isn't it?

The aim:

***to prove that foreign
languages are an important
part of people's life.***

The tasks:

- *to discuss a problem with teenagers;*
- *to learn literature;*
- *to ask teenagers about attitude to learning foreign languages, English lessons;*
- *to process information;*
- *to investigate this problem.*

The results we would like teenagers to achieve :

- - *to change attitude to English lessons and foreign languages;*
- - *to motivate students to learn foreign languages.*

The ways of project realization:

- *Classroom activities;*
- *Extracurricular activities;*
- *International communications;*
- *Distance studying.*

Classroom activities:

- Working in groups;
- Making different projects and posters;
- Taking part in local, region, all-Russian English contest.

Extracurricular activities

- *Taking part in English poems and songs competitions;*
- *Travelling and communicating*

International communications

Participation in the Internet-project "Postcards Connecting the World"

Hello from Florida

I'm Wendy, 34, single mom, + psychology student. We live an hour from this beach and also an hour from Disney World - two of our favorite places! Hope you enjoy! Wendy

Hi Svetlana

I saw you have been a postcrosser for 3 months now. I hope you are enjoying it and get a lot of beautiful postcards. I hope you have a good summer, nice weather and happy feelings.

Nice time in Postcrossing.

OUR RESULTS

Students' attitude to a subject

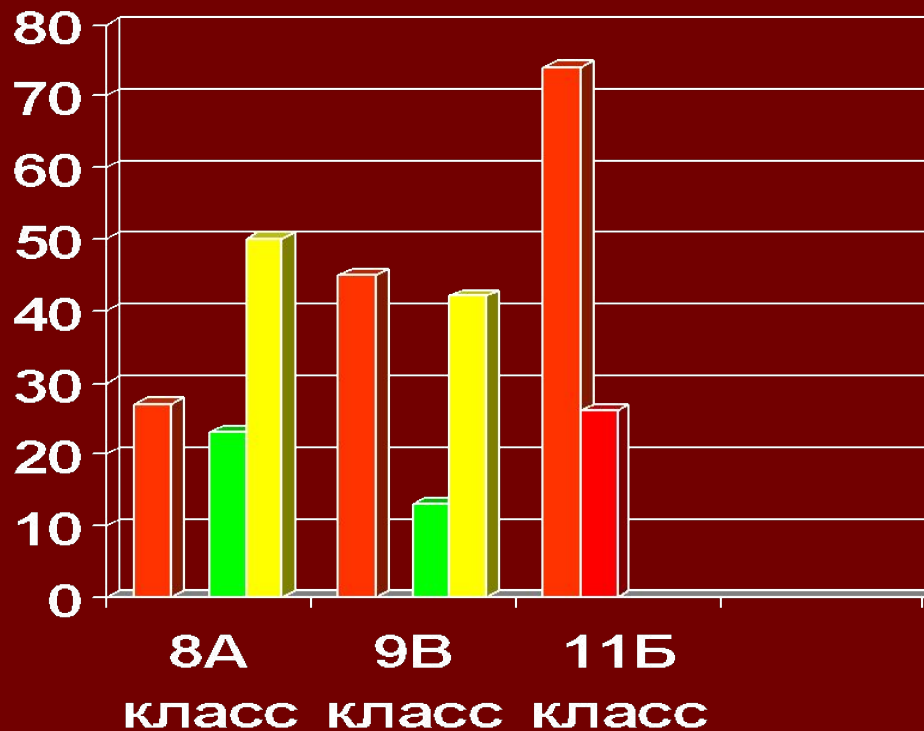

■ Уроки нравятся

■ Здорово, когда уроки отменяют

■ Я бы предпочел идти на урок

■ Меня заставляют учиться родители

Why do you learn English?

- Хочу больше знать
- Найти престижную работу
- Не отставать от друзей
- Доставить радость родителям

Patents' attitude to a subject

- *В настоящее время необходимо знание иностранного языка – 100%*
- *Перспективность трудоустройства – 65%*
- *Знание иностранного языка развивает личность ребенка – 35%*
- *Снижение интереса к изучению иностранного языка в среднем школьном возрасте – 75%*

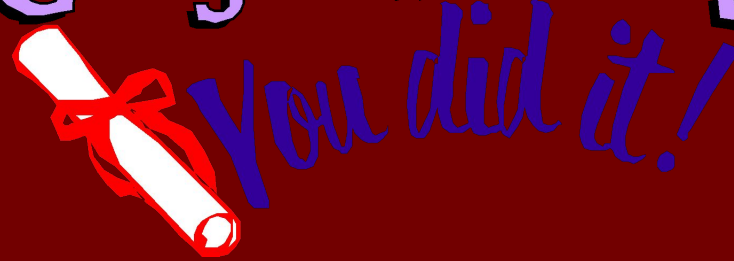

Research-based

It can be concluded that the English language is an integral part of our live.

Learning foreign languages is very important, because we can communicate with foreigners, read foreign literature, watch foreign films, live abroad, travel to other countries.

THANKS A LOT

Congratulations

You did it!
