

MY COUNTRY AT A GLANCE

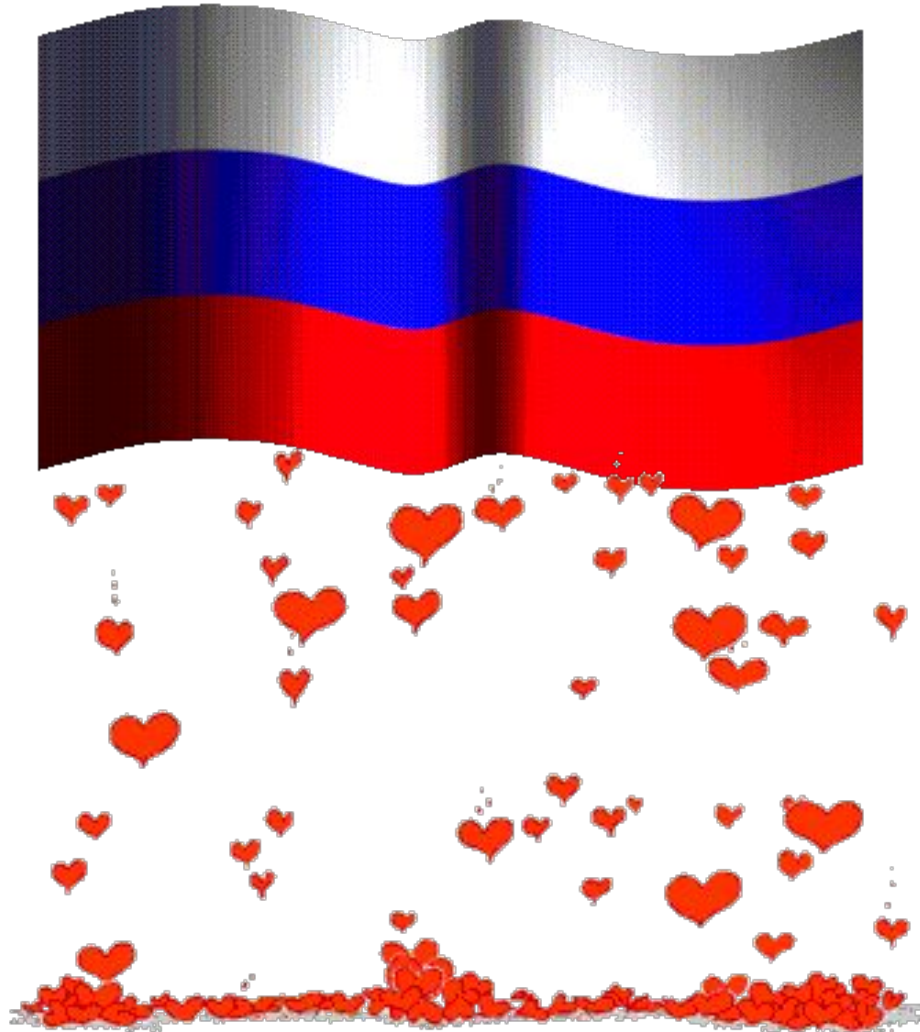

# Plan:

- 1) Entry
- 2) Russia on map
- 3) Russian people
- 4) Russian traditions and customs
- 5) Beauty of Russia
- 6) Conclution

I live in Russia. I want to tell you some information about my great country.

# Russia on map

Russia is largest country in a whole world. It is situated in Europe and Asia. But most of the country is located in Asia. There are 85 subjects in Russia.

# Russian people

Russia is a huge ethnic country because many ethnic groups live in Russia. People from Russia are great patriots. They love our country very much. But some of them don't show their love. Russians are very hospitable and sociable people

# Russian traditions and customs

We have many traditions and customs in Russia.

For example, we burn the scarecrow of winter and eat pankakes on Maslennitsa.

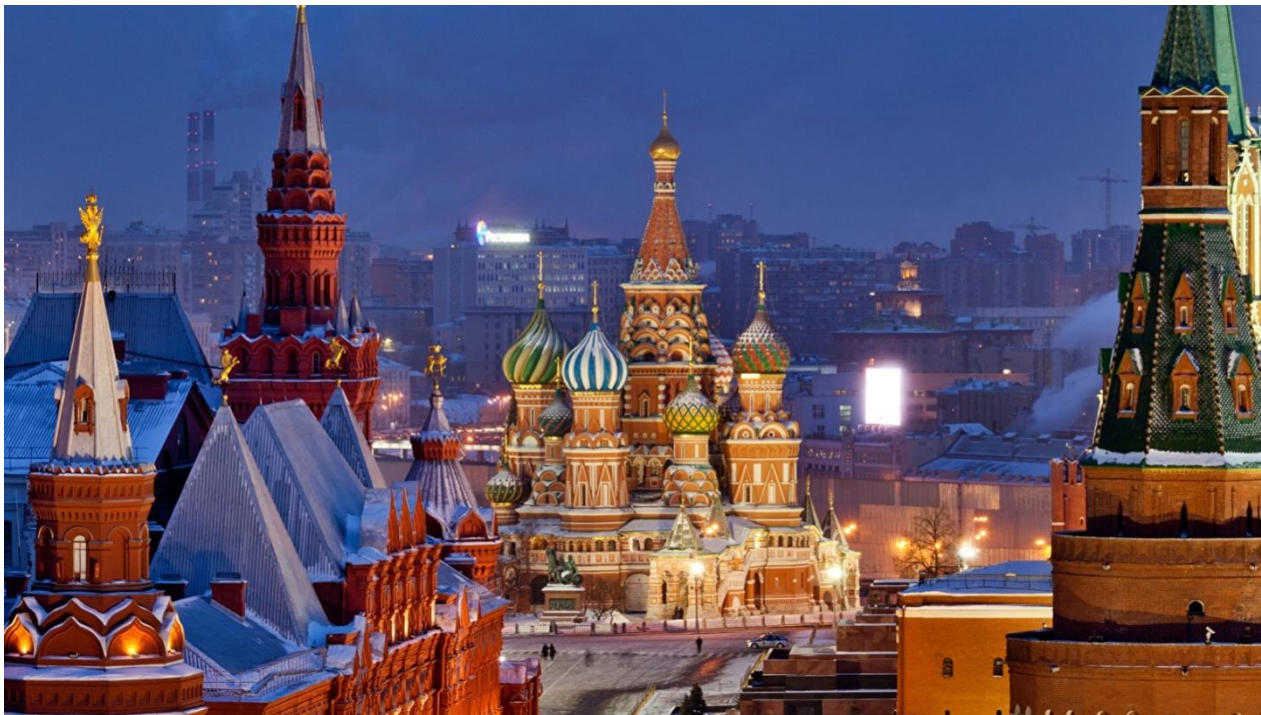

This is our traditional costume.

Our traditional food are dumplings, borsch and porridge.

# Beauty of Russia

Russia is very large and beautiful. We have a lot of great cities and towns. Our nature and landscapes are very wonderful too. We have a lot of natural and cultural monuments.

# Photos:

# Conclusion

No doubt, I love my country and I proud of it. Our country very large and beautiful. Russia have a long interesting history, good customs and traditions and big achievements.

The end  
Thank you for watching!
