Sport in Our Life

The student of class 8

Starkova Kristina

Healthy life

" Sickness in the body brings sickness in a mind"

"A sound mind in a sound body"

The goal :

to examine the development of sport traditions as a main component part of our school life.

The tasks:

- to know the main way in the development of sport at our school;

- to find out the roles of teachers

- to create a presentation

The hypothesis:

If students will go in for sport, they'll have a success in sport.

Pierre Corneille

" *To win without risk is*

to triumph without glory."
