

Урок 33

Let's warm up!

I want to jump,
I want to run,
I want to clap my hands.
It's fun!

What do you think they are?
What do they want to be?

wants to be

are

wants to be

is

wants to be

is

Tell your classmates about your family
(names and professions).

[v]

a dog

not

a doctor - doctors

He is a doctor.

His daughter is a doctor, too.

Do you want to be a doctor? - Yes, I do.

an officer - officers

He is an officer.

Is your father an officer? - Yes, he is.

Does your brother want to be an officer.

- No, he doesn't.

He doesn't want to be an officer.

Engineer [endʒɪ'nɪə]

an engineer - engineers

Is your father an engineer?

- No he is not an engineer. He is a dentist.

[ju:]

a pupil - pupils

We are pupils.

- Is his brother a pupil?
- Yes, he is. He is seven.
- I am a pupil too.

Read the letter from your friend.

I am Kate. I am from Rostov. I am seven. I like to read and to draw. I have not got a dog but I want to have it and to play with it. I'm a good runner but not a good jumper. My father is a doctor and my mother is a dentist.

I have got a friend. Her name is Lucy. She lives in Rostov, too. She likes to sing and she wants to be a singer and a dancer. Her mother is not a singer, she is a teacher. Lucy has got a nice grey and white kitten. I often phone her and we like to play with her funny little kitten. It jumps and runs and plays with a ball. I want to have a kitten, too. How I love it!

Answer the questions.

1. Where is Kate from?
2. How old is she?
3. Has she got a dog?
4. Does she want to have a dog and a kitten?
5. Where is Lucy from?
6. Why does Kate like to go to Lucy?
7. Do they like to play with her kitten?
8. Is her kitten funny?
9. What are their parents?
