London is the capital of Great Britain. It is situated on the river Thames. The city is very old and beautiful. There are a lot of places to go.

Our excursion starts from the central square of London – Trafalgar Square.

Trafalgar Square

Nelson Column

It is the largest square of London. It is named in memory of Admiral Nelson's victory in the battle of Trafalgar in 1805. And in the middle of the square you can see **Nelson Column** with a statue of Lord Nelson on the top.

Trafalgar Square National Gallery

The main building of the square is the **National Gallery**. It is one of the best picture galleries in the world. As far as the entrance to the gallery is free, a great many tourists try to visit the museum.

The Houses of Parliament

Let's visit Westminster Abbey, which is situated in the district of Westminster. On the way to the Abbey we can see the **Houses of Parliament**. The country's leaders speak at this place.

Tower Bridge

Now we are passing the river Thames. There are 27 bridges over the Thames and 8 tunnels under the river. The most famous bridge is Tower Bridge.

The Tower of London

The Tower of London was built by William the Conqueror in 1066. It was a fortress, a palace and a prison. Now it is a museum.

The most famous things in the Tower of London are the Crown Jewels. They have the biggest diamond in the world – the «Star of Africa».

The Tower of London

The guards in the Tower of London are called Beefeaters.

Ravens always live in the Tower of London. The legend says that if they fly away, Britain will fall, that's why ravens' wings are cut.

London Parks

Now we will make our way to Buckingham Palace and pass famous London parks. Five of London's nine royal parks are in the very heart of the capital. They are St. James's Park, Green Park, Regent's Park, Hyde Park and Kensington Gardens. Each has its own character.

Hyde Park

The largest park is Hyde Park. It is known for its Speaker's Corner, where anyone can stand up and say what he wants.
