

QUESTION TAGS

РАЗДЕЛИТЕЛЬНЫЕ ВОПРОСЫ

Question tags представляют собой короткие вопросы, которые мы добавляем в конец предложения. На русский язык они переводятся «не так ли?».

Question tags

образуются при помощи

вспомогательного или

модального глагола + личное

местоимение

Например,

Harry speaks Italian, doesn't he?

You were in London last year, weren't
you?

Sally can dance well, can't she?

После утвердительного предложения всегда следует отрицательный Question tag, а после отрицательного – утвердительный.

You can play football, can't you?

You can't play football, can you?

She has never been to Paris, has she?

**Местоимения everyone/
nobody/ everybody/ somebody/
someone/ anyone/ no one
образуют question tags с
ПОМОЩЬЮ
вспомогательного /
модального глагола + they**
