Michael Jackson has made numerous plastic surgeries.
(Discoloration of the skin, nose reshaping, etc.)

Michael Jackson died on 25 June 2009 as a result
of an overdose of drugs.

Billie Jean

She was more like a beauty queen from a movie scene
I said don't mind, but what do you mean I am the one
Who will dance on the floor in the round
She said I am the one will dance on the floor in the round

She told me her name was Billie Jean, as she caused a scene
Then every head turned with eyes that dreamed of being the one
Who will dance on the floor in the round

People always told me be careful of what you do
And don't go around breaking young girls' hearts
And mother always told me be careful of who you love
And be careful of what you do 'cause the lie becomes the truth

Billie Jean is not my lover
She's just a girl who claims that I am the one
But the kid is not my son
She says I am the one, but the kid is not my son

For forty days and forty nights
The law was on her side
But who can stand when she's in demand
Her schemes and plans
'Cause we danced on the floor in the round
So take my strong advice, just remember to always think twice
(Do think twice)

A vibrant, stylized portrait of Michael Jackson singing into a microphone. The image is framed by a large, glowing heart shape with a pink and white floral border. The name "Michael Jackson" is written in a large, red, cursive font across the bottom of the heart. In the bottom right corner, there is a smaller, circular inset image of Michael Jackson wearing a crown and a white outfit.
