**Bad, clever, cool, glamorous, good, optimistic, nasty, nice, right,
stupid, useful, dangerous.**

- **Smoking is a very _____ habit.**
- **Smoking isn't _____ or _____.**
- **Smoking is very _____ for you.**
- **Chewing gum is _____ to help you stop smoking.**
- **Smokers are _____ to give up.**

- The 20-24 age group smokes more than any other.
- A quarter of Britain's 15-year-olds are regular smokers.
- In 1994, children between the ages of 11 and 15 smoked over a billion cigarettes.
- Every year 120,000 smokers in the UK die from their habit – about 330 people every day.
- More people in Britain die from smoking than from road accidents, murder and AIDS.
