

Sea animals

The background of the slide is a photograph of three dolphins leaping out of the ocean. They are captured in mid-air, with their bodies arched and tails still in the water, creating a splash. The sky is a clear, bright blue, and the ocean is a darker blue. The dolphins are the central focus of the image.

A vibrant tropical beach scene. The foreground shows a sandy beach with several palm trees and people relaxing. The water is crystal clear, transitioning from light turquoise near the shore to a deeper blue further out. A large, rounded hill with sparse vegetation dominates the background. The sky is a deep blue with scattered white clouds. The text "The lesson is over" is overlaid in the center in a bold, red font.
