

Sea animals

The background of the slide features three dolphins leaping from the ocean. They are captured in mid-air, with their bodies arched and tails still in the water, creating a splash. The sky is a clear, bright blue, and the ocean below is a darker blue with some white foam from the dolphins' tails.

A vibrant tropical beach scene. The foreground shows a sandy beach with several palm trees and people. The water is crystal clear, transitioning from light turquoise near the shore to a deeper blue further out. In the background, a large, rounded hill or mountain rises from the water's edge. The sky is a deep blue with scattered white clouds. The text "The lesson is over" is overlaid in the center in a bold, red font.
