- ◎ My name is Lera. I was born on the 12th of January, 2000. I am 15 years old. I am a student. I study at college. I have several hobbies which make my life brighter, more varied and interesting.

- ◉ As I am very active, I like to skate and dance. On skates I ride for a long time. I learned that from my mom. First I learned to roller skate, and then I stood on the ice. Skating is very fun! I like to skate with my friends.

- But the most important hobby of my life is dancing. All my free time I devote to dancing. Because dancing for me is life. I have been doing cheerleading. I go to dance classes 3 times a week. Recently our team participated in a cheerleading competition and took the 3d place. I hope soon we will become the first and the best.

◎ Thank you for your attention!
