

Walt Disney
1901-1966

Everybody knows , who Walt Disney is. He is one of the best and well-known film directors and cartoonists.

*We all watched Disney's
Cartoons, but few peoples know,
how these cartoons were made.*

**It was very interesting for
me to find out more facts
about Walt Disney's
Cartoons.**

**Now I'm going to tell you the most
amazing stories.**

Let's look behind the scenes...

Mikki Mouse was created after
Walt Disney's observation of a
mouse on his farm.

In fact Walt Disney was afraid of mice.

Mikki Mouse has his own star in Hollywood.

Yulia Gulyaeva | www.sestrik.com

Mikki and Minnie were married in
real life.

Wayne Allwine and Russi Taylor
(people who spoke for Mikki and
Minie) got married in 1991.

To make *Snow White and the Seven Dwarfs* Walt Disney had to mortgage his own house. In 1937 the famous cartoon was created.

Walt Disney was awarded a
honorable Oscar for Snow White
and the Seven Dwarfs:
one big statuette and seven small
Oscars.

In fact Snow White was 14,
Ariel and Aurora were 16 years old.

There are my favourite characters-Disney princesses. Now there are a lot of dolls, stickers, t-shirts, school things with image of this characters.

When I was a little girl, my parents bought these dolls too and I play with them. They sing very well.

My favourite cartoon is The King Lion. The main characters are Lion, Lioness, the little lion Simba.

The King Lion was based on Hamlet by William Shakespeare.

Elephant Dumbo is the only silent character in Walt Disney's films.

Scrooge McDuck was chosen as one of the most outstanding citizens of Glasgow by its government in 2007.

But in fact Scrooge McDuck didn't exist, but some characters were drawn from real people.

Aladdin was drawn from Tom
Cruise

The Gin was drawn from Robin Williams

Ariel was drawn from Alyssa Milano

The Queen from *Snow White and seven Dwarfs* was drawn from Joan Crawford.

Prince Philip from the Sleeping Beauty was named in honour of Prince Philip, Duke of Edinburgh, the husband of Queen Elisabeth II.

Be careful when you watch a
cartoon next time...
Perhaps you will see
someone familiar or even
recognize yourself.

Thank you for your
attention!
