Introduction

Everybody of us is a Human being . And all of us have a great amount of opportunities, but only 24 hours per day for their execution.

Our life is limited and it depends mostly on what each person is spending time for.

So everybody should think now about what you would like to do during your life.

There are a lot of self-expression opportunities you can do.

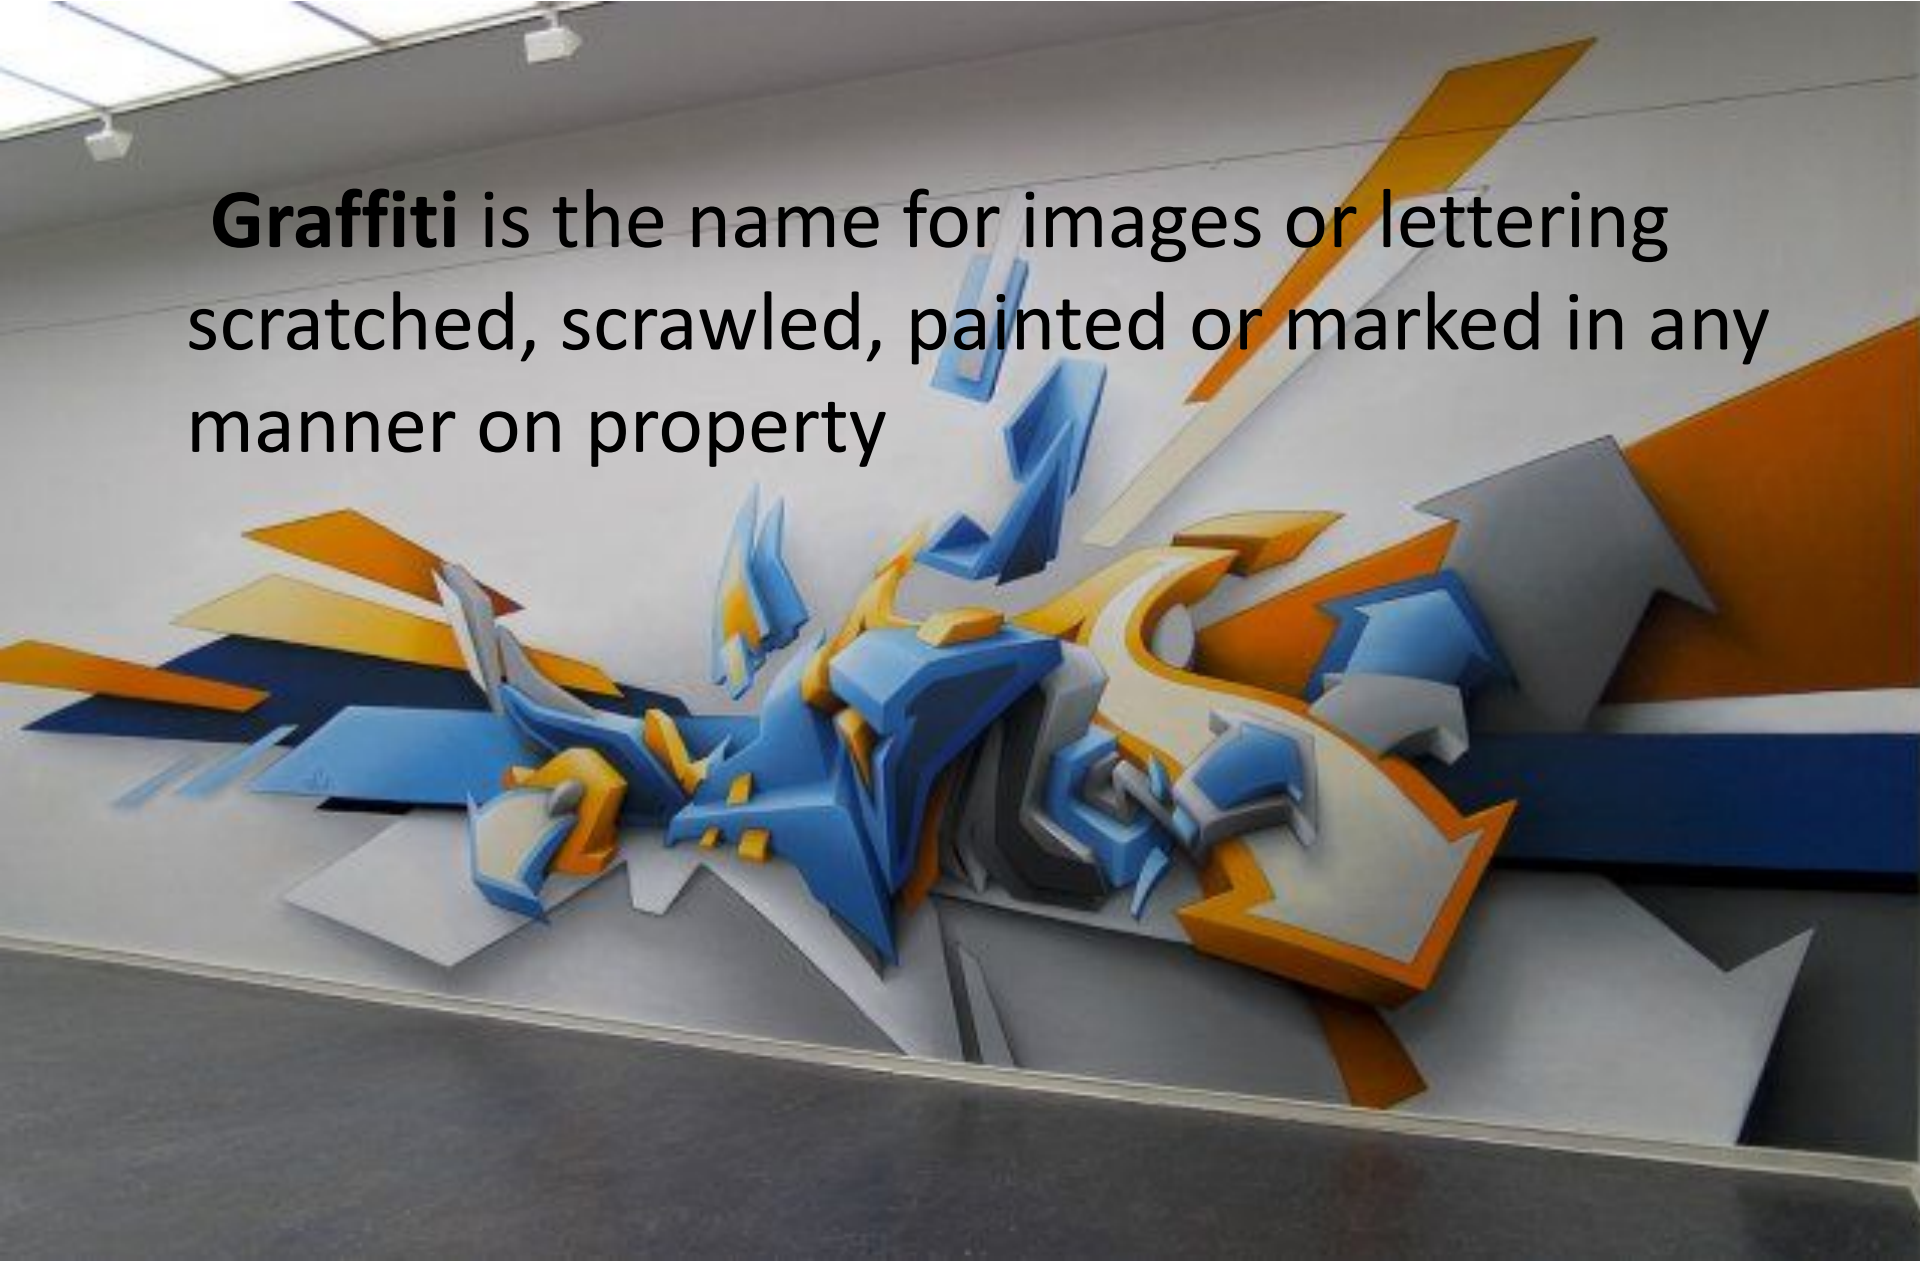

For example:

- All kinds of sport;
 - Art;
 - Theatre;
 - Cinema;
 - Being a volunteer;
 - Different subcultures;
 - Different clothes;
- And even more...

Street art

Graffiti is the name for images or lettering scratched, scrawled, painted or marked in any manner on property

A **subculture** is a group of people with a culture which differentiates them from the larger culture to which they belong.

There is a great number of subcultures:

- Emo

Career

You may do sports, be an actor of theatre or cinema. And of course you can continue your education and become simply a rich person. This can be your self-expression too. Check out last couple of pictures.

Thanks=)
