I usually get up at 7 o'clock. I walk to school. I have 5 or 6 lessons a day. I teach 10-year-old students at the East Square London School.

In the lesson we speak English, ask and answer questions, read and translate, play games and write tests.

There are a lot of school clubs at our school such as Singing club, Tennis club, Musicians' club, Dancing club, Computer club, Drawing club, Chess club, Travellers club.

At home I cook dinner for my family. Then I watch TV and go to bed at about 11 o'clock.
