Windsor Castle

There is a Windsor Castle on a hill.
It is above the River Thames.
William the Conqueror began building
(начал строить) Windsor Castle 900
years ago.

England's kings and
queens have lived in it
since XII century.
Nowadays Windsor
Castle is a museum.

William the Conqueror –
Вильгельм

Завоеватель

The River Thames –

Река Темза

Arundel Castle

This Castle is above the river Arun to the south (к югу от) of London.

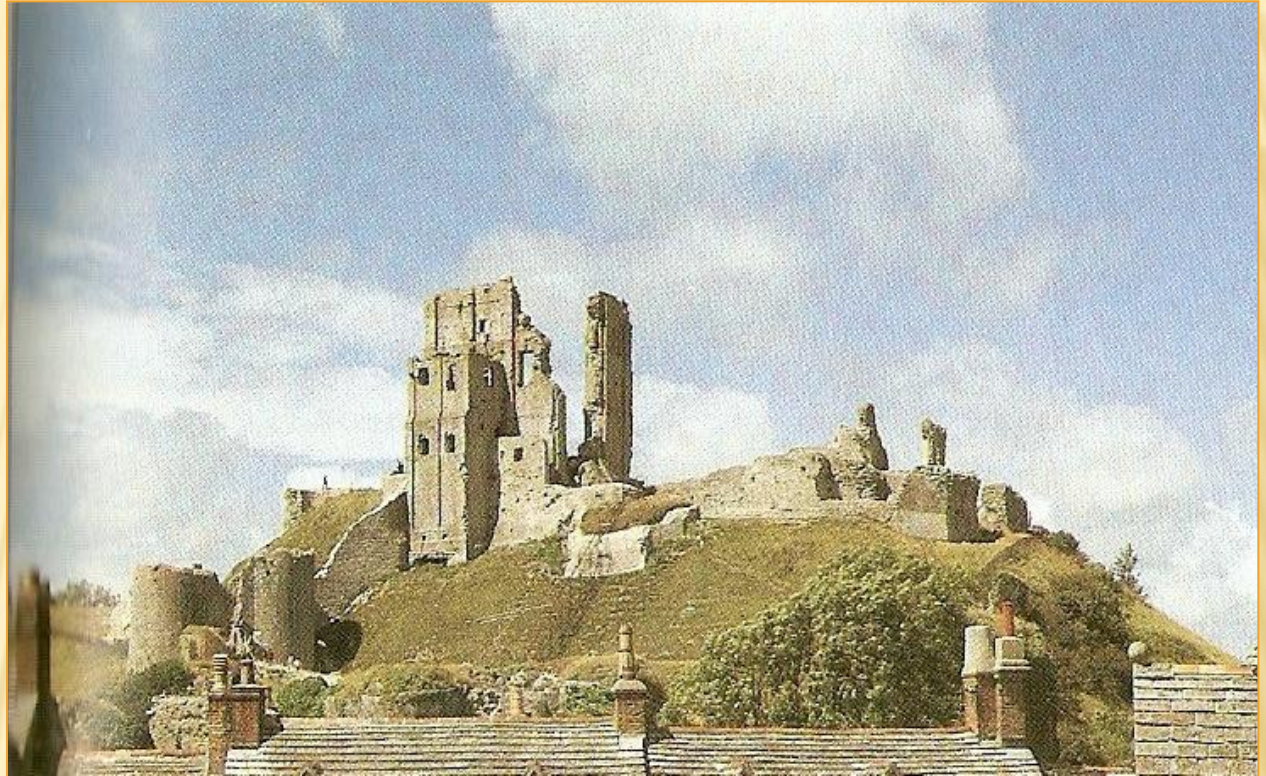

It is near the town Arundel.

The Castle was a fortress many years ago.

It is the house of the Duke of Norfolk.(герцог Норфолкский)

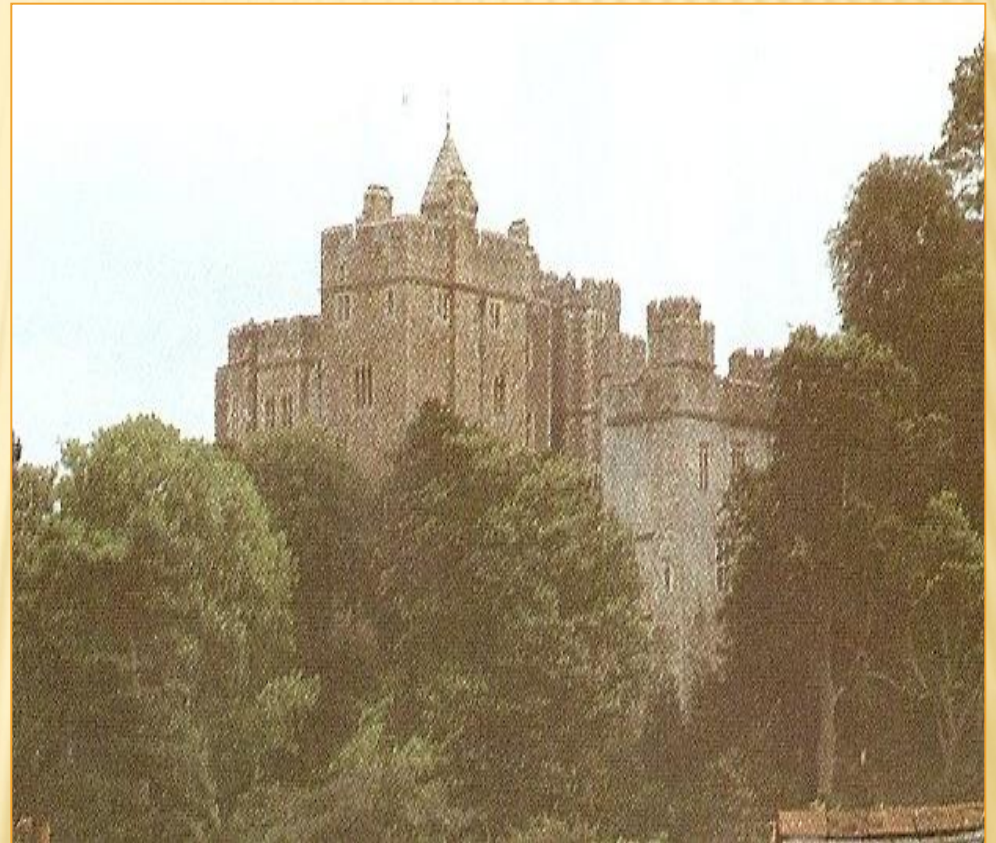

Corf Castle

- It is a castle with a terrible history.
- Many people were murdered (были казнены) there.
- In 978 it was King Edward house. There he was killed (был убит) by his mother-in-law (мачехой). Some people say there are ghosts in the castle.

Dunster Castle

Dunster Castle was a fortress. It was built in XIII century. It has interesting towers. They were built by Antony Salwin, the famous architecture(архитектором). In this castle the King Karl was murdered (был казнен) in 1649.

Conwy Castle

Conwy Castle is an old fortress on the river Conwy on the coast (на берегу) of the Irish sea.

King Edward the First ordered (приказал) to build (построить) it.

In 1277-1284 the King and his Knights swam to conquer (поплыли завоевывать) Wales.

Caernarfon Castle

Caernarfon Castle was one of the King Edward's castles.

Today it has only old walls and towers.

Now there are many high buildings around the castle, but it looks very big and large as many years ago.

In 1969 Prince Charles was proclaimed (был провозглашен) the a Prince here.

Harlech Castle

Harlech Castle is an old fortress. From the castle we can see the sea and the mountains(горы), because the fortress is on the high hill.

Many years ago in 1460 – 1468 the knights defended (защищали) the castle. It was the war between the Knights of Red Rose and White Rose.

Guides can tell you a lot of stories about them.

Bamborough Castle

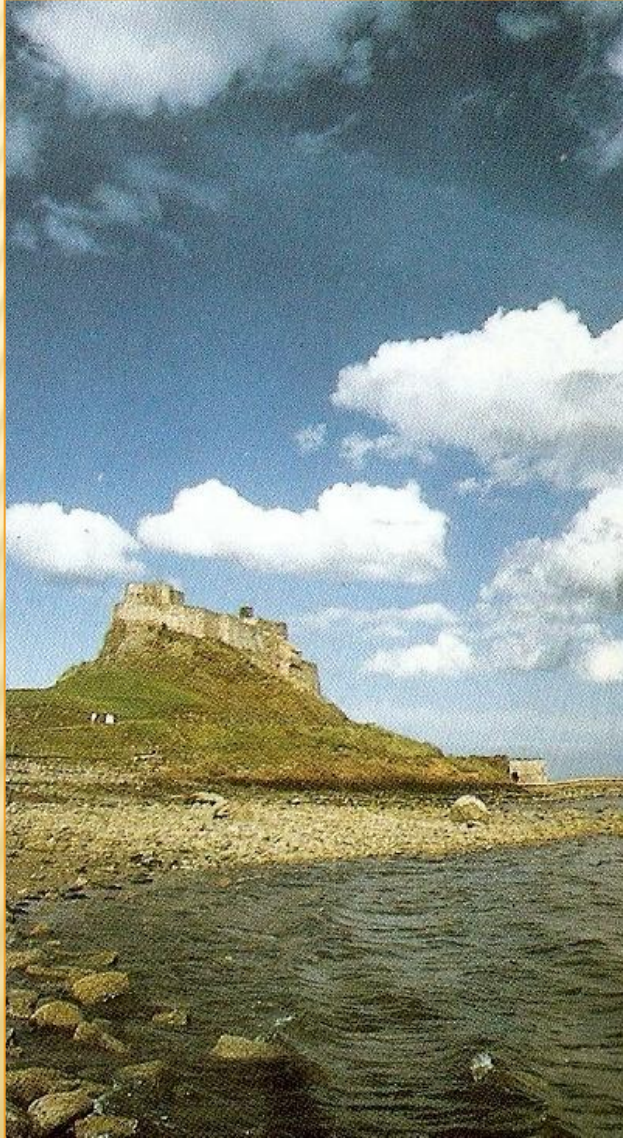

Bamborough Castle is 600 years old.

It is a very large old fortress on the top of the rock (на вершине скалы) near the Irish sea.

It is a museum now. There are a lot of old and modern guns and pistols in this museum.

Lindisfarne Castle

Lindisfarne Castle is on the Lindisfarne island.(остров) Lindisfarne has a name Saint Island (Святой остров) too. It was built in 1550.

This castle is very small. It looks like a fairy castle. People say the ghosts of princes and princesses live here. Guides can tell you a lot of stories about them.

Now it is the center of science.(центр науки) People know it in all the world. Ornithologists (орнитологи) like to watch birds here.
