England's National Parks

The Northumberland National Park

Kielder Water

- **Kielder Water**, is the largest man made lake in Europe and offers a range of activities including fishing for and sailing.
- There are gentle walks around the lake and for those who enjoy the water but are less independent, there is a passenger pleasure craft offering trips on the water.

Lake District

Derwent Water

- Derwent Water is small and attractive, it has four beautiful little islands and is a lovely location for a family holiday.
- Derwent offers boating and fishing on both the lake and the River Derwent.
