...ner of us could read! Still one of the funniest
recon we'll still be driving around asking for directions
I don't know what made me think of that
along the way while we were there -
said we were going to start a project
probably thinking, with us, the
core out of the top after a brief
away safely through. One day,
make a toast to the happy
There - that was my
never want to talk about it!
for a big, fancy reception
het bunkered down in
and passing his fishing
- I'd actually planned to
my seaside - stomach
with three of the saddles
and he couldn't even
And not just the ingredients
was good. I'd promise
back through customs
out the plastic container
So in your last
haven't seen any photos
just the way you are
Can't imagine what
kind of stories to
the real things from there
- how about we take some
somewhere down the coast
Het be fantastic
could come down on the
place with the rest
us cooking, beer and
