

Television in people's lives

What is television?

- Television nowadays has become one of the most important mass media. It informs, educates and entertains people.

Plus Television:

1. Television is one of the main sources of information.
2. Television is a source of entertainment.
3. Television is a source of education.

Minuses Television:

1. When we watch television, time flies. That is why many people spend hours watching television. This is not very good for our health and lifestyle.
2. If the screen image is bad, you can spoil your eyes.
3. there is too much violence and too many crimes on TV.
