Our old school

Read and translate the text

Our school was founded in 1912.

It was free and compulsory for all children.

At the age of 7 children went to primary school.

Boys and girls studied together. When children

were 11, primary school was over. From 12 to 17 children

went to secondary school.

Students went to school from Monday to Saturday

and had classes from 09.00 till 14.00. There were 9

headmasters in our school. The first of them was Khutanov A.S.

The teachers are kind and patient. One of them is a great

master. Her name is Darima Petrovna. There are 3 gold and

12 silver medalists in our school.

We are proud of them.
