Dear Natasha,

Thank you for your letter. It was interesting to know about your family.

We have moved to a new house. I like it a lot. There are two floors in our house. The hall, the sitting room, the kitchen are downstairs. The bathroom, the toilet and two bedrooms are upstairs. There is a beautiful garden behind our house.

Do you live in a flat or in a house? How many rooms have you got? What is there in your bedroom?

Best wishes,

Kate
