retell the tail from the
point of view of Percy

Hi! I am a little boy
Percy. I liked to sit
near the fireplace
and listen to fairy
tales my mother
told.

When it was time to go to bed, I didn't want to sleep. My mother was tired from arguing with me and she said: «Sit alone by the fire and the Old Fairy will come and take you because you don't listen to your mother.

During ancient times, there used to be a little brownie in each house. Every night he would come to clean the house while everyone slept.

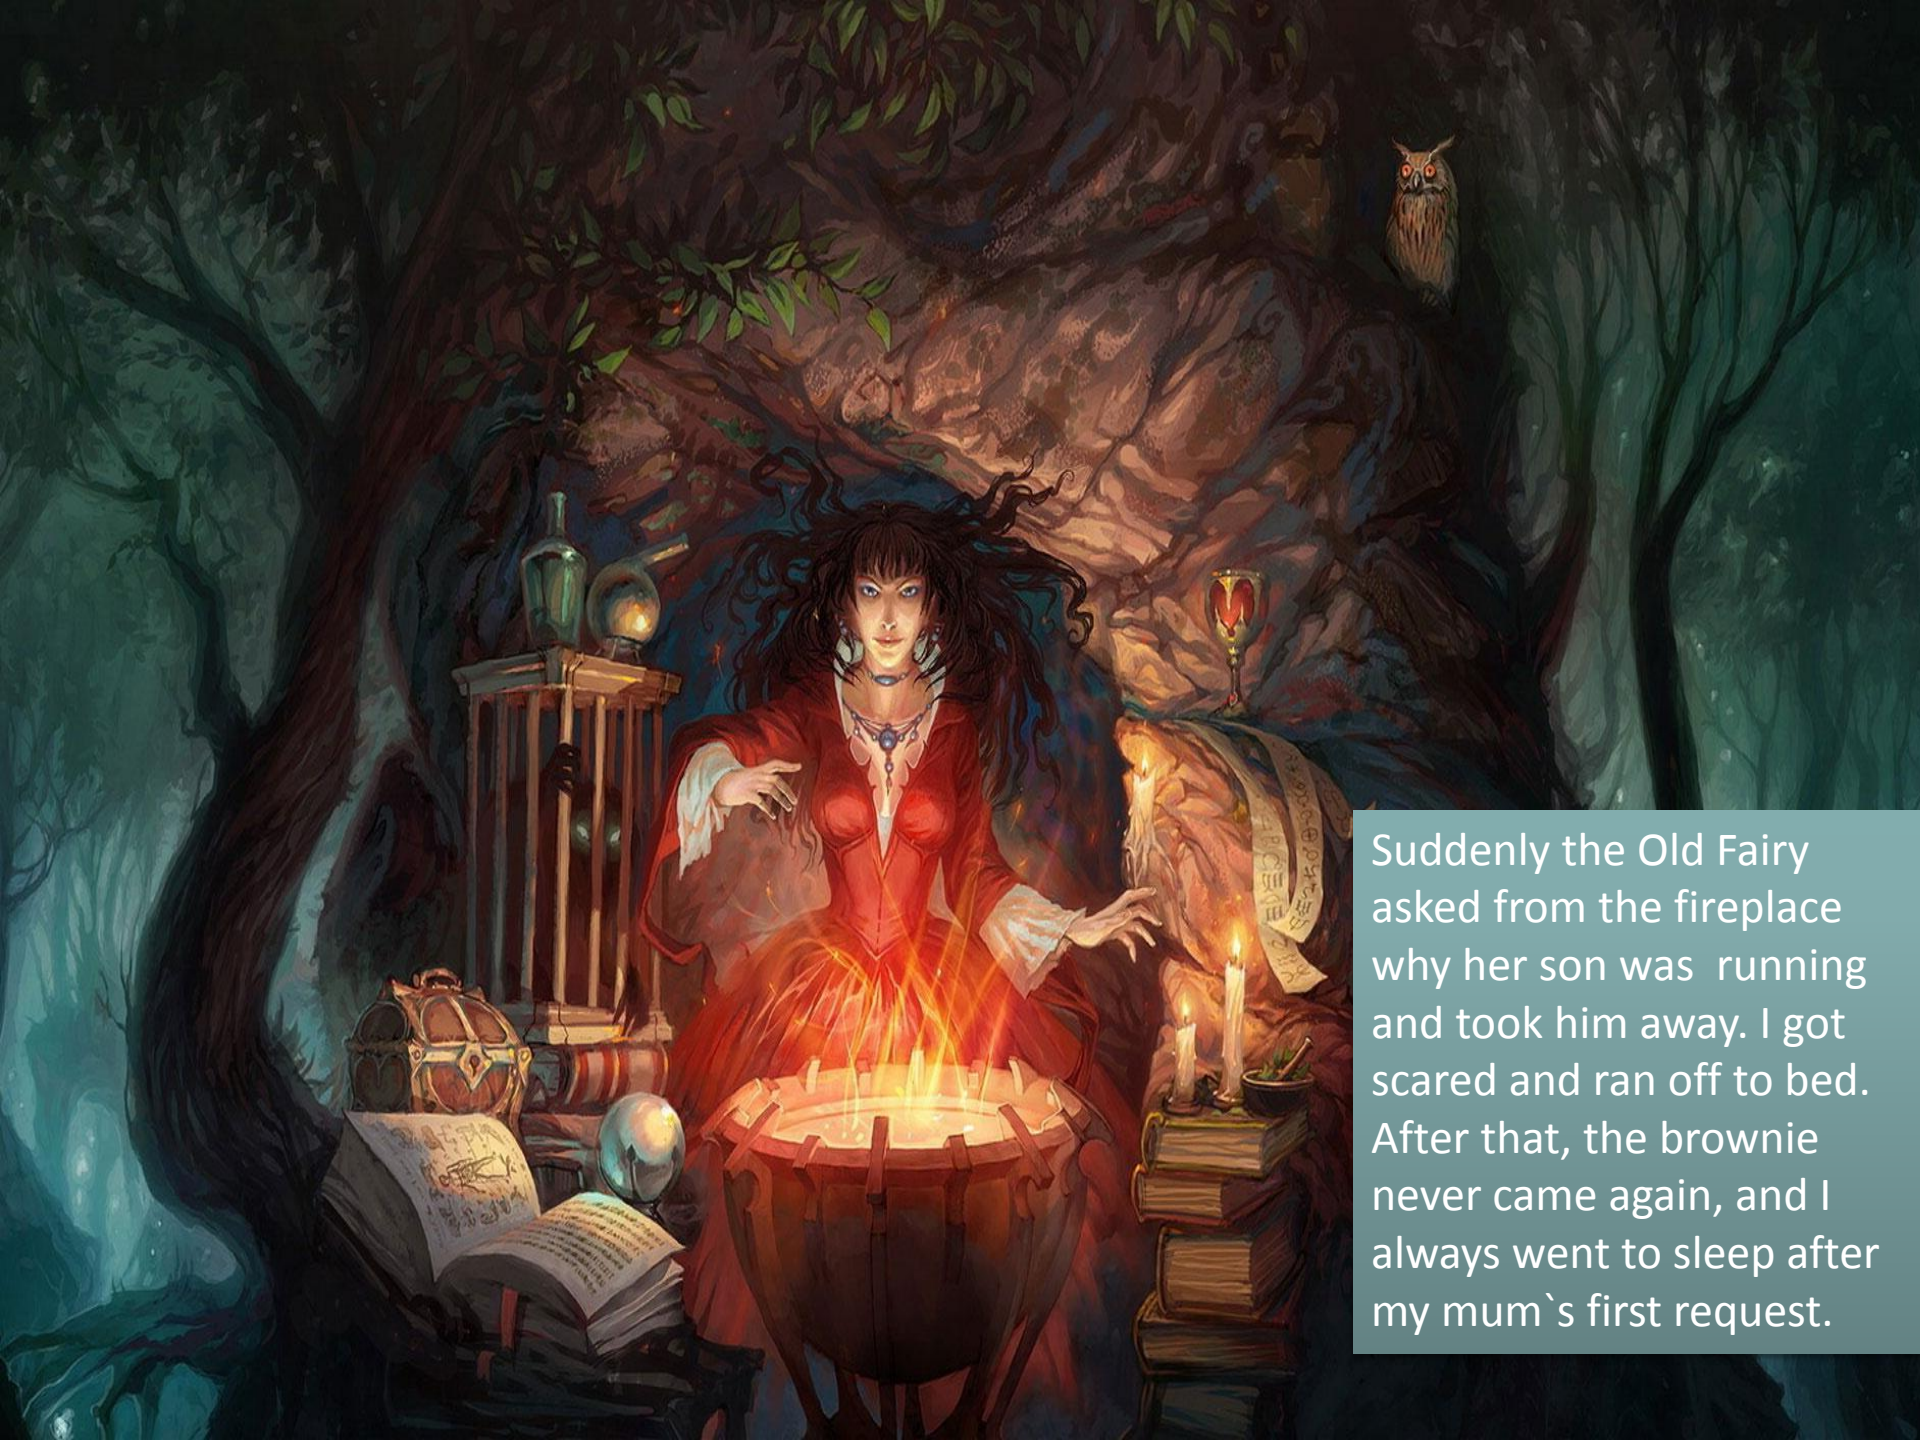

- Brownie lived in my house. One day I met him. I was scared. We started talking. Then we began to run and play near the fire.

- Running near the fireplace, I accidentally touched the coals in the fireplace and one of them fell on the brownie's foot. The brownie cried aloud.

Suddenly the Old Fairy asked from the fireplace why her son was running and took him away. I got scared and ran off to bed. After that, the brownie never came again, and I always went to sleep after my mum's first request.

The End!
