GOOD MANNERS

The fork goes on the left,
The knife goes on the right,
And never, ever try to eat
Without your fork and knife.

GOOD MANNERS

Spoons are for soup,
Forks – for cakes and stew.
But never, ever try to bite
More food than you can chew.

GOOD MANNERS

At table every time
You have to watch yourself,
And never, ever start
Without a napkin on your lap.
