

A close-up photograph of a black watercolor palette. The palette contains several circular wells of paint in various colors, including yellow, orange, red, pink, blue, cyan, and green. A paintbrush with a light-colored handle and dark bristles is resting diagonally across the palette, with its tip submerged in a well of red paint. The word "Hobbies" is written in a yellow, cursive font across the center of the image.

Hobbies

A hobby is a favourite pastime of a person.

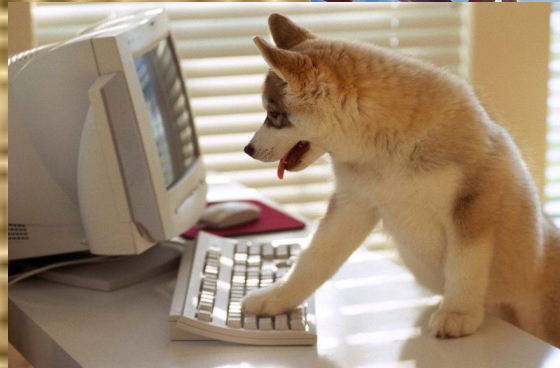

Numerous hobbies can be subdivided into four large classes: doing things, making things, collecting and learning things

Doing things :

- *gardening*
- *travelling*
- *chess*
- *volleyball*
- *computer games*

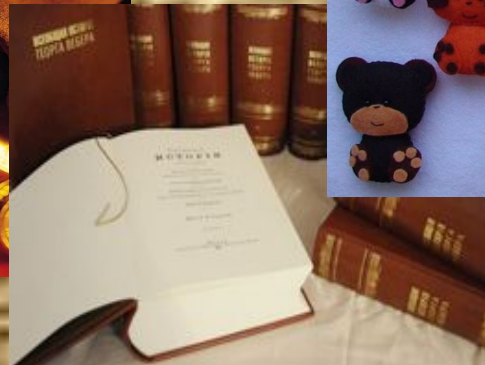

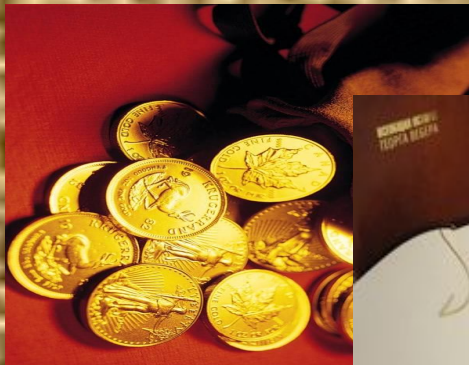

Making things

- *drawing :*
- *painting*
- *making sculpture*
- *designing costumes*
- *writing music*
- *handicrafts*

Collecting things

- stamps
- records
- coins
- postcards
- matchboxes
- toys
- books
- watches
- rare books
- paintings

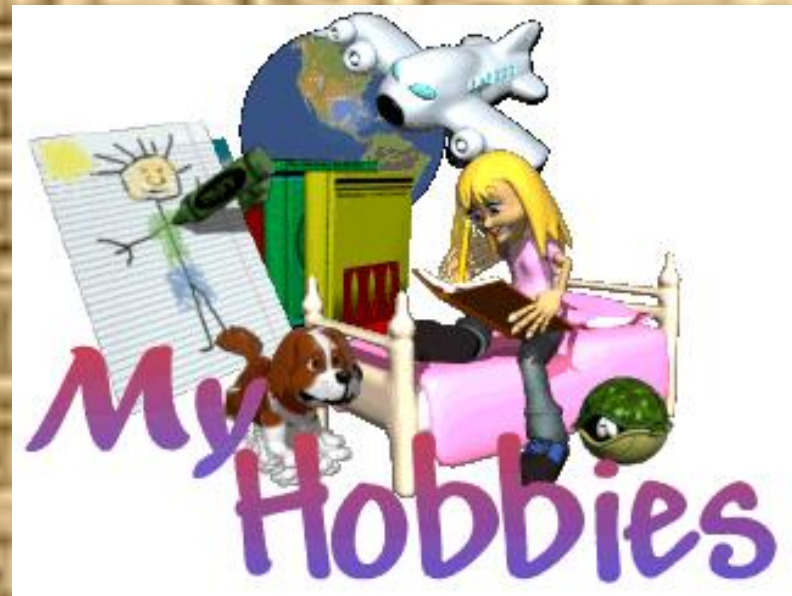

Learning things :

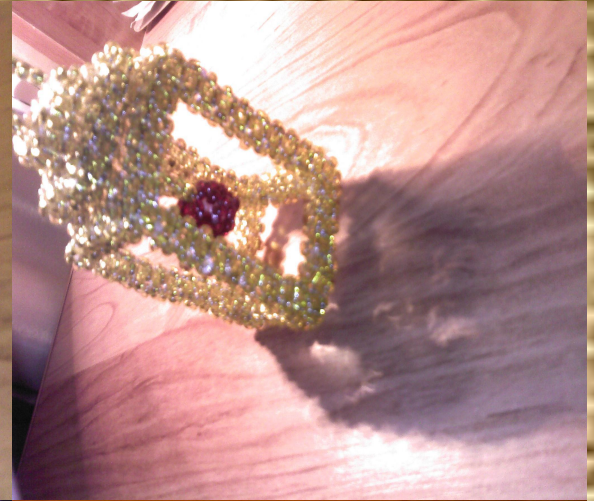

- Reading about the things you are interested in*

As for me, I like travelling and dancing, handicrafts and making photos. I also like collecting magnets.

My handicrafts

My collection of magnets

Our hobbies are not constant, they are changing during lifetime. I hope that some of my hobbies will last all my life.
