Hello, my friend!

How are you? I was a little scared that I had to move to Michigan, but now I'm OK. The house is beautiful, but it's also so big, that sometimes I even get lonely to stay alone. I was sad at the beginning because I was a little shy, but I have new friends here. I was a little _____, I am new, but now we have fun together and it's exciting! Our neighbour is a nice lady, Mrs Brown. I thought she was always angry, but she was very nice when I met her, and I learnt that she's just serious. She is very hard-working. I'm glad that I live in my new house. I like the neighbourhood. It's very lovely, and people are very nice and polite.

Now it is your turn to let me know how it is back there!

I miss you!

Yours, Jane
