

# Traveling

It's impossible to imagine modern life without traveling. People travel on business and for pleasure. Almost all people like traveling.

A lot of people like to travel because

- ✓ they can visit different cities and countries,
- ✓ they meet new people,
- ✓ try different food,
- ✓ practice English,
- ✓ they can see a lot of new places of interest

# People can travel

by car

by train

by plane

by sea

**Traveling by plane** is the quickest way of traveling.

The hostess takes great care of the passengers and offers them some snacks and soft drinks.

You can seat and read or sleep until you arrive at your airport.

**Traveling by train** is slower than by plane. But its also has its advantages.

You can travel for long distention, visit different cities and countries.

**Modern trains**  
have very  
comfortable seats  
in all passenger  
carriages and  
there are  
sleeping-cars.

You can see the country you are traveling through.

# Traveling by sea

There are large liners, holiday ships and river boats on board which you can visit different countries or parts of the country.

A sea voyage or a river trip is a very pleasant way of spending a holiday.

Cabins are very comfortable.

When it's  
time to have  
meal you  
can go to  
the  
restaurant.

You can spend a lot of time on the deck sitting in deck chairs or watching the ships passing up and down, enjoying sea-scrapes and fresh wind.

On board large holiday liners there are swimming pools where you can swim and enjoy your holiday.

# Traveling by car

Some people prefer traveling by car.

It is popular for pleasure trip.

It's a good way to travel for short destinations.

# The advantages of this way of spending a holiday:

- ❑ you can stop wherever you wish
- ❑ you can make your own time-table
- ❑ you don't have to buy tickets
- ❑ you don't have to carry heavy suitcases
