

London

London is the capital of Great Britain and one of the biggest cities in the world.

Scotland

Northern Ireland

Wales

England

London

London is situated upon both banks of the River Thames. It is the largest city in Great Britain and one of the largest in the world.

Its population is about 7 million people.

It consists of three parts:
the City of London, the West End
and the East End.

The City of London

the West End

the East End

LONDON

The West End

The best places of the West End

Buckingham Palace

Kensington Gardens

St. James's Park

Hyde Park

Buckingham Palace

Kensington Gardens

St. James's Park

Hyde Park

Big Ben

The East End

This is London's poorest part.

The Tower of London

Tower Bridge

Tower Bridge has stood over the River Thames in London since 1894 and is one of the finest bridges in the World.

The City of London

A scenic view of the City of London at dusk. The River Thames flows in the foreground. On the left, the London Bridge is visible, with its stone arches and streetlights. On the right, the Lloyd's building stands out with its unique glass dome structure. The sky is a mix of blue and grey, suggesting twilight.

It is the financial centre of the UK with many banks and offices.

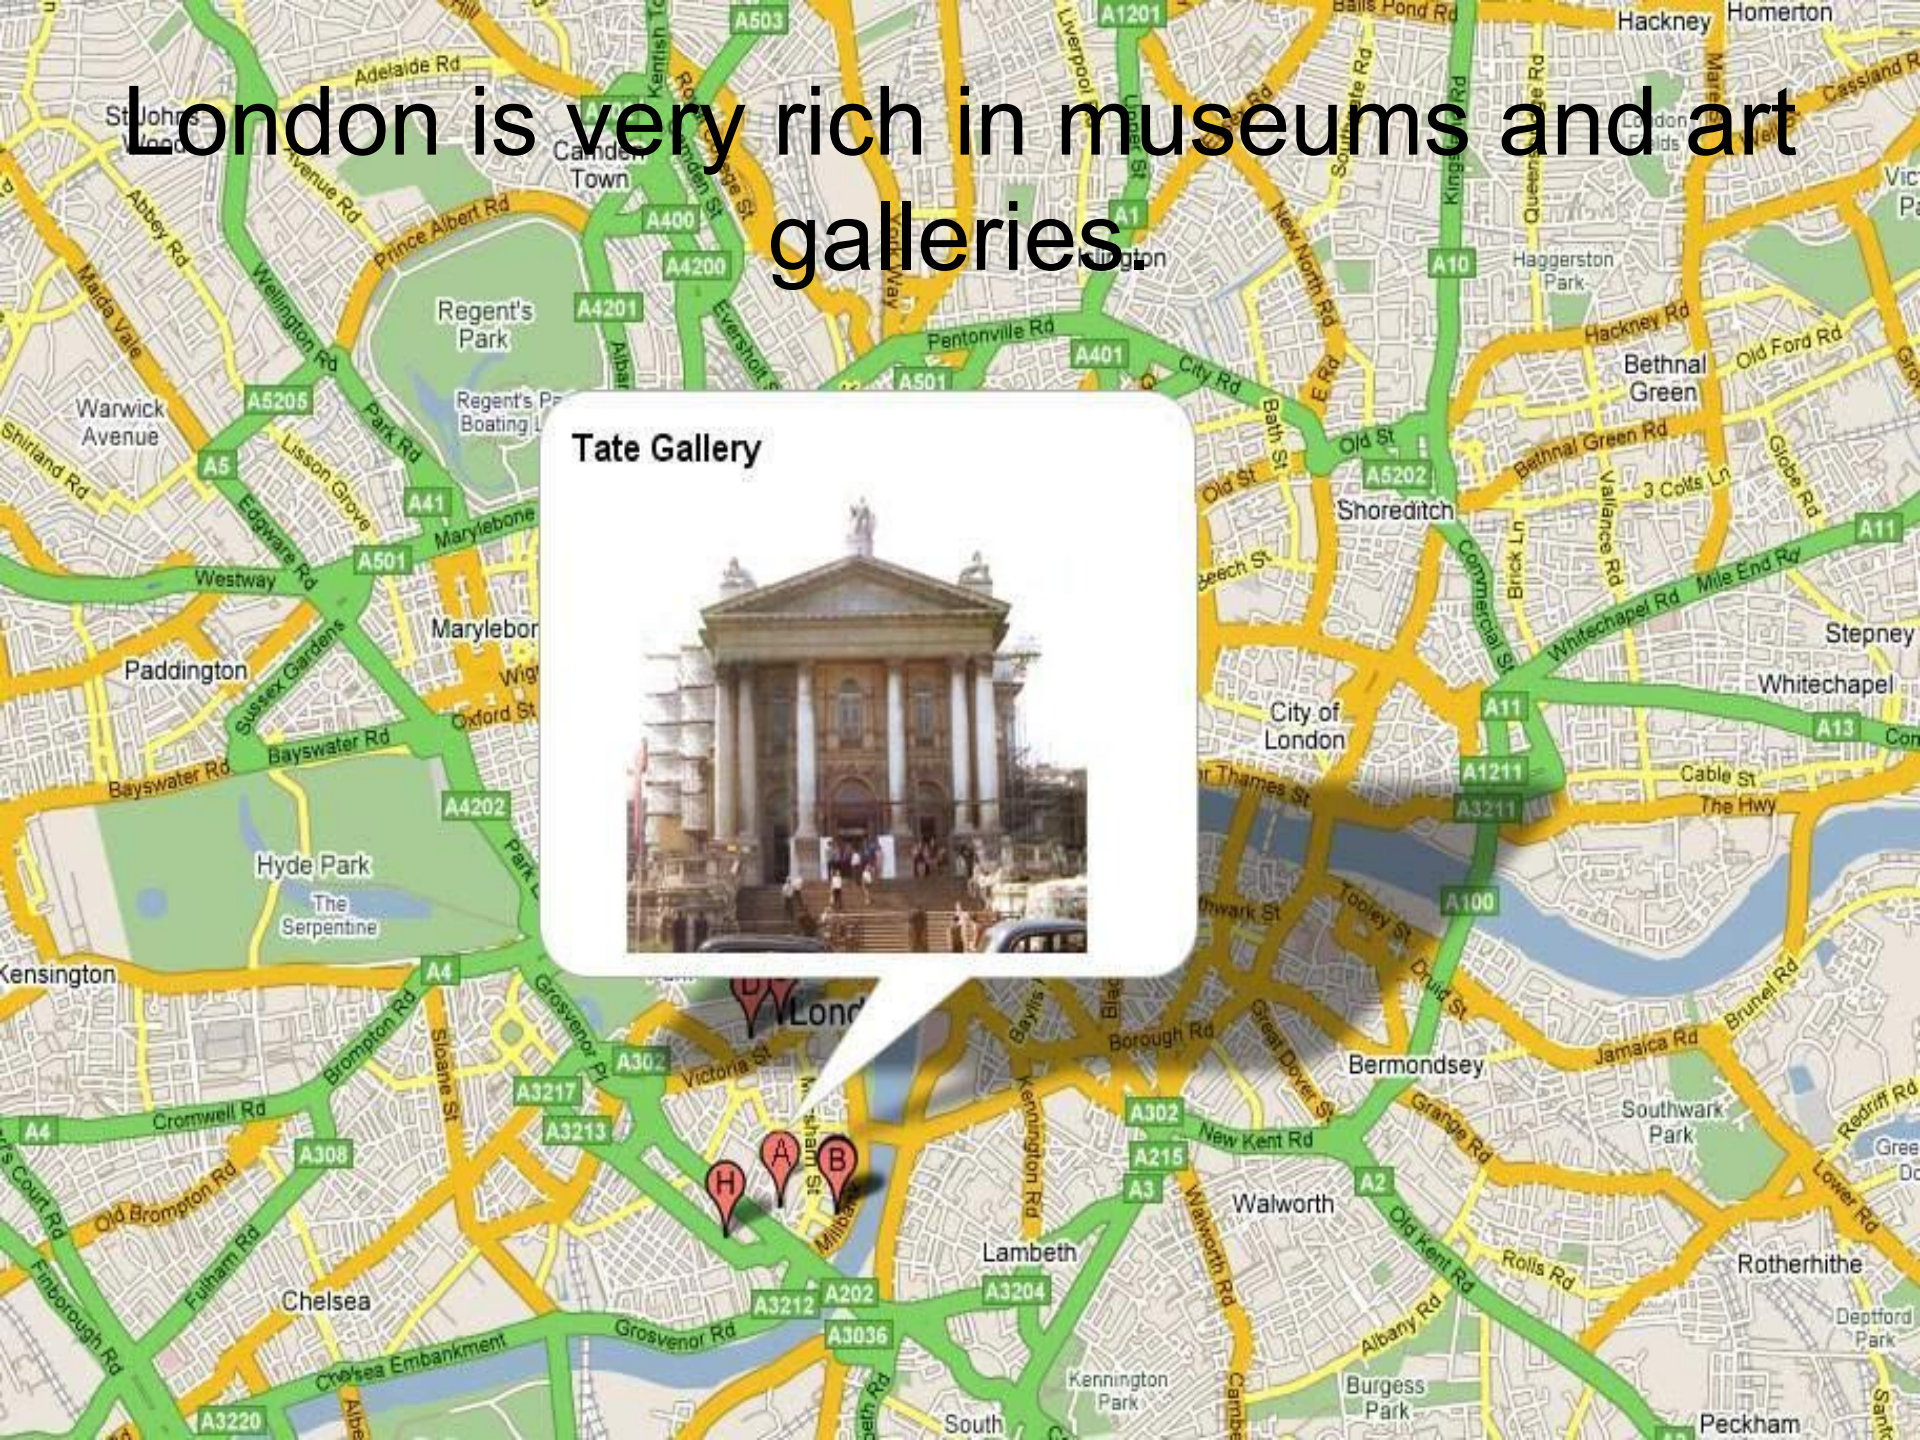

Museums and art galleries of London.

Tate Gallery

London is very rich in museums and art galleries

Tate Gallery

A rich sugar manufacturer Henry Tate founded it in 1897.

The British Museum is the largest and richest of its kind in the world.

The present building was built in 1852.

The British Museum

By law a copy of every book, periodical and newspaper, published in Britain must be presented in the British museum.
