The Frog lives in the river. She is very kind. But she likes to chat a lot. She can chat from morning till night. She has got two good friends. They are big ducks.

Autumn comes. It's cold, cloudy and windy. It's time for the ducks to fly to Africa. They like summer because it's hot and sunny. They don't like winter. It's snowy and cold. The Frog likes summer too. She wants to see Africa. She says, "My friends, take me to Africa with you, please!"

"Good!" - say the ducks. "But you must not speak!
Don't open your mouth!«

So the Frog takes a stick in her mouth and puts it in the middle. Then one duck takes one end of the stick, the other duck takes the other end. They start to fly.

The children see the ducks in the sky.
