# «Snow ball» «Қар кесегі»

Today is Saturday, but I am at home.

There are a lot of interesting places near my house:

a supermarket, a theatre, a library and a park.

Some women are standing in front of the theatre.

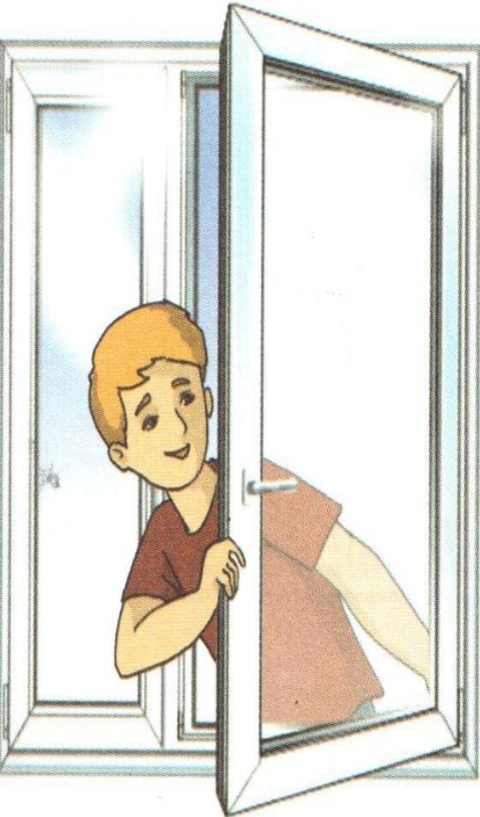

Their children are running with balloons.

School children are playing at the park.

Look! Mum is coming home.

She is carrying a big bag from the supermarket.

Mum! May I help you?

1. Today is Sunday. F
2. Bobby isn't at home. \_\_\_\_\_
