

# Школьные кружки

Гмырина Наталья Борисовна

Учитель английского языка

In our school there are many school clubs. We go to our school clubs on Mondays, Thursdays and Saturdays. I like to swim very much. I prefer to spend all my time in the swimming pool. I want to become the best swimmer in our club. My friend Paul likes to run best of all. He is the fastest runner in the club.

We are happy to spend our time so useful!
