# the Wildlife Park of Kostomuksha

- **Костомукшский заповедник** находится в Карелии. Здесь шумят северные таежные сосновые и еловые леса, бродят северные олени, бурые медведи, волки, лисы и россомахи. В заповеднике много прозрачных озер. Песни национального эпоса "Калевала" связаны с самым большим Каменным озером, площадью 9,5 тысячи гектаров.

# Yours and Mine

*The sun, the trees, the grass, the sky,  
The silver moon, that's sailing by,  
The rain and dew and snowflakes white,  
The flowers sweet and stars of night!  
The songs of birds, wind whispering,  
The autumn leaves, the buds of spring –  
Such lovely things to hear and see.  
Belong to you, belong to me!*
