Hello

Hi

Hello

- ◆ Утвердительная форма будущего времени группы индефинит образуется при помощи вспомогательных глаголов "**will**"(уил) или "**shall**"(шэл) и смыслового глагола без "**to**". "**shall**" употребляется с первым лицом (**я, мы**), но в современном английском языке имеется тенденция употреблять "**will**" также и с первым лицом :

I **shall/ will** work = Я буду работать.

You **will** work = Ты будешь работать.

He **will** work = Он будет работать.

She **will** work = Она будет работать.

We **shall/ will** work = Мы будем работать.

You **will** work = Вы будете работать.

They **will** work = Они будут работать.

- ◆ Для образования вопросительной формы вспомогательный глагол "shall/ will" ставится перед главным глаголом :
Will/ shall we begin working? = Мы начнём работать?
Will you begin working? = Вы начнёте работать?
Will they begin working? = Они начнут работать?
Will he begin working? = Он начнёт работать?
Will she begin working? = Она начнёт работать?
Will/ shall I begin working? = Я начну работать?
Will you begin working? = Ты начнёшь работать?

Отрицательная форма образуется при помощи отрицательной частицы "not" которая ставится непосредственно после вспомогательного глагола

:

I **shall/ will not** work = Я не буду работать.
You **will not** work = Ты не будешь работать.
He **will not** work = Он не будет работать.
She **will not** work = Она не будет работать.
We **shall/ will not** work = Мы не будем работать.
You **will not** work = Вы не будете работать.
They **will not** work = Они не будут работать.
