We all live together and we are very friendly. We never argue. My parents are very clever and kind. I have got a little sister. Her name is Katy. I love her very much! She is beautiful. She can dance very well. She can sing too but she cannot speak English. This is my brother. He is the best brother in the world. He has got a pet. It is a black rabbit. He can play with his rabbit all day long! And in winter he can sledge or ski a lot! He is a very good son and in summer he can pick up flowers and give them to mom. Our mom is very happy when we give her presents! Then she is very happy. When she is happy she can always cook a very tasty dinner. And do you know who is a good cook as well? My grandmother! And my grandfather is a sportsman. He can run very fast! My uncle can run fast too but he cannot roller skate! He is very funny! All people in my family are very friendly and good.
