

Kirill Mayanskiy
(Age 13, Belarus)

Gymnasium №6 Grodno

"My Role as a Citizen of Earth."

International Essay Content for Young People (2014)

2014 Goi Peace Foundation  UNESCO

International Essay Contest
for Young People

**I aim to inspire
your minds
to think about
how each of you
can make a difference
in the world.**

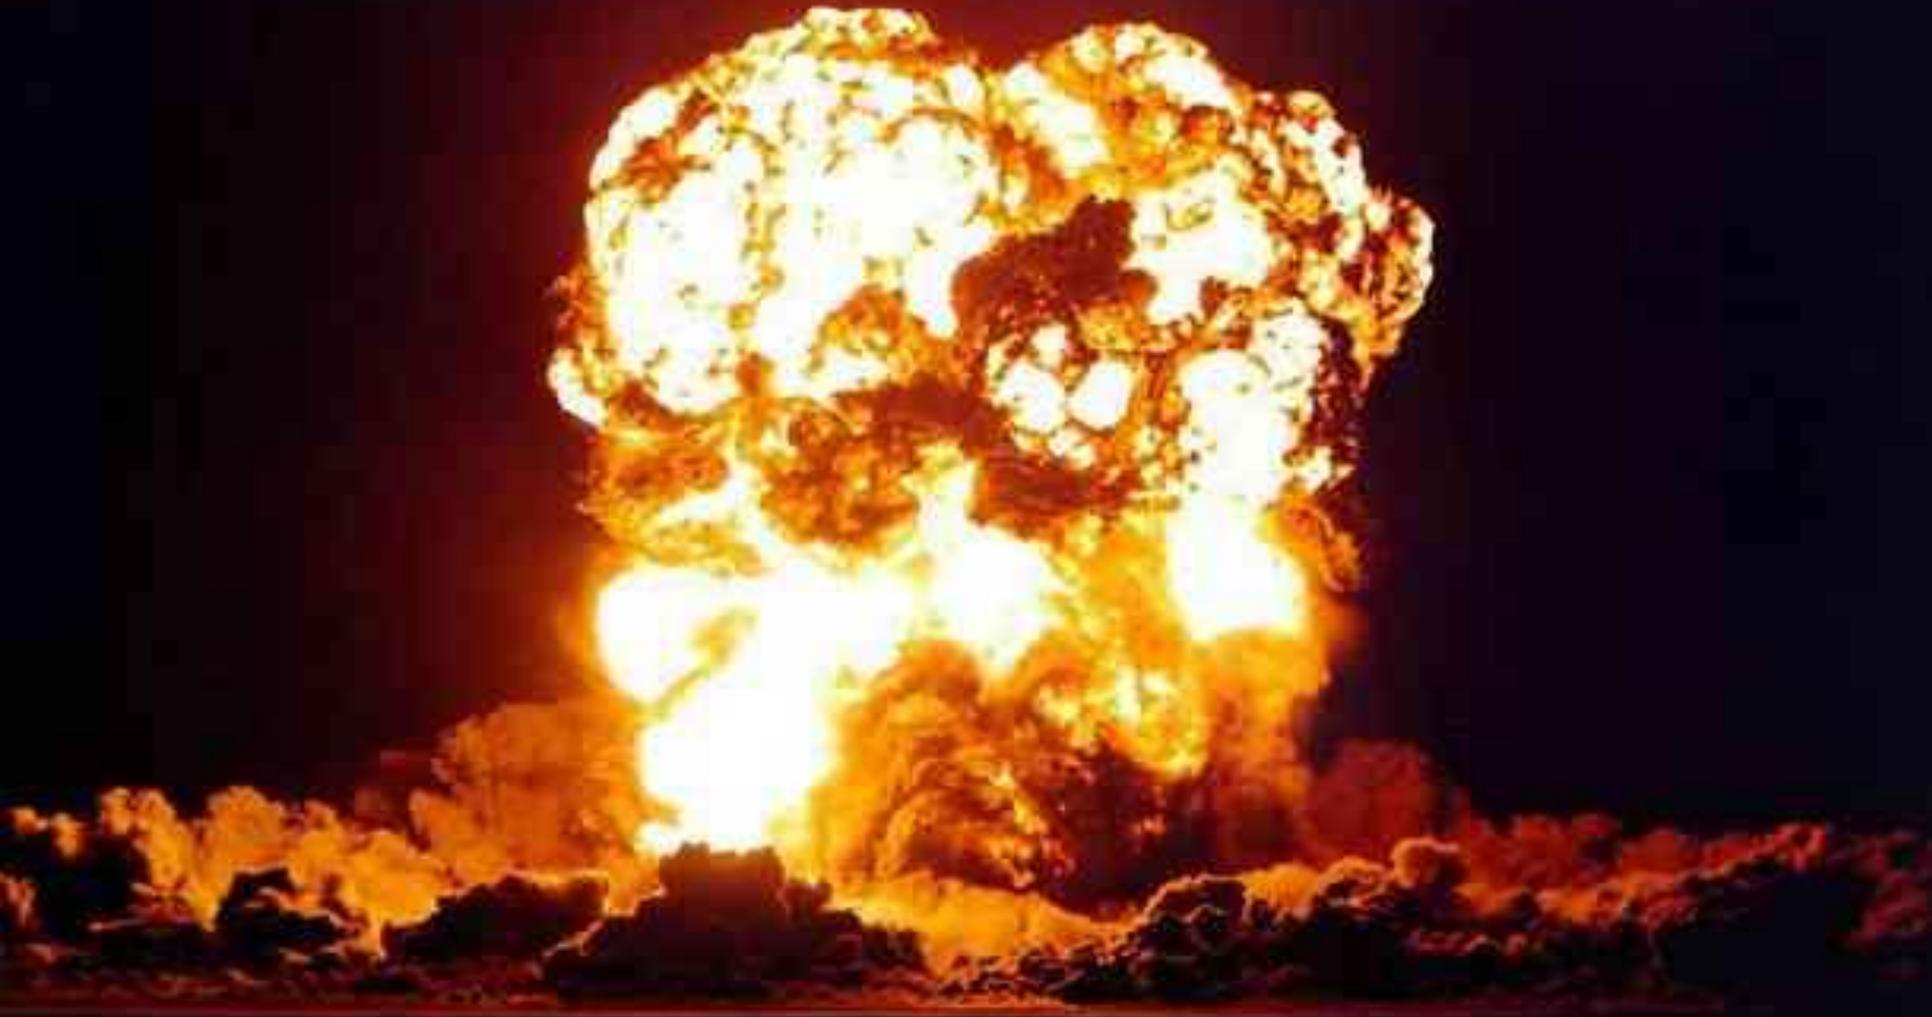

Water pollution

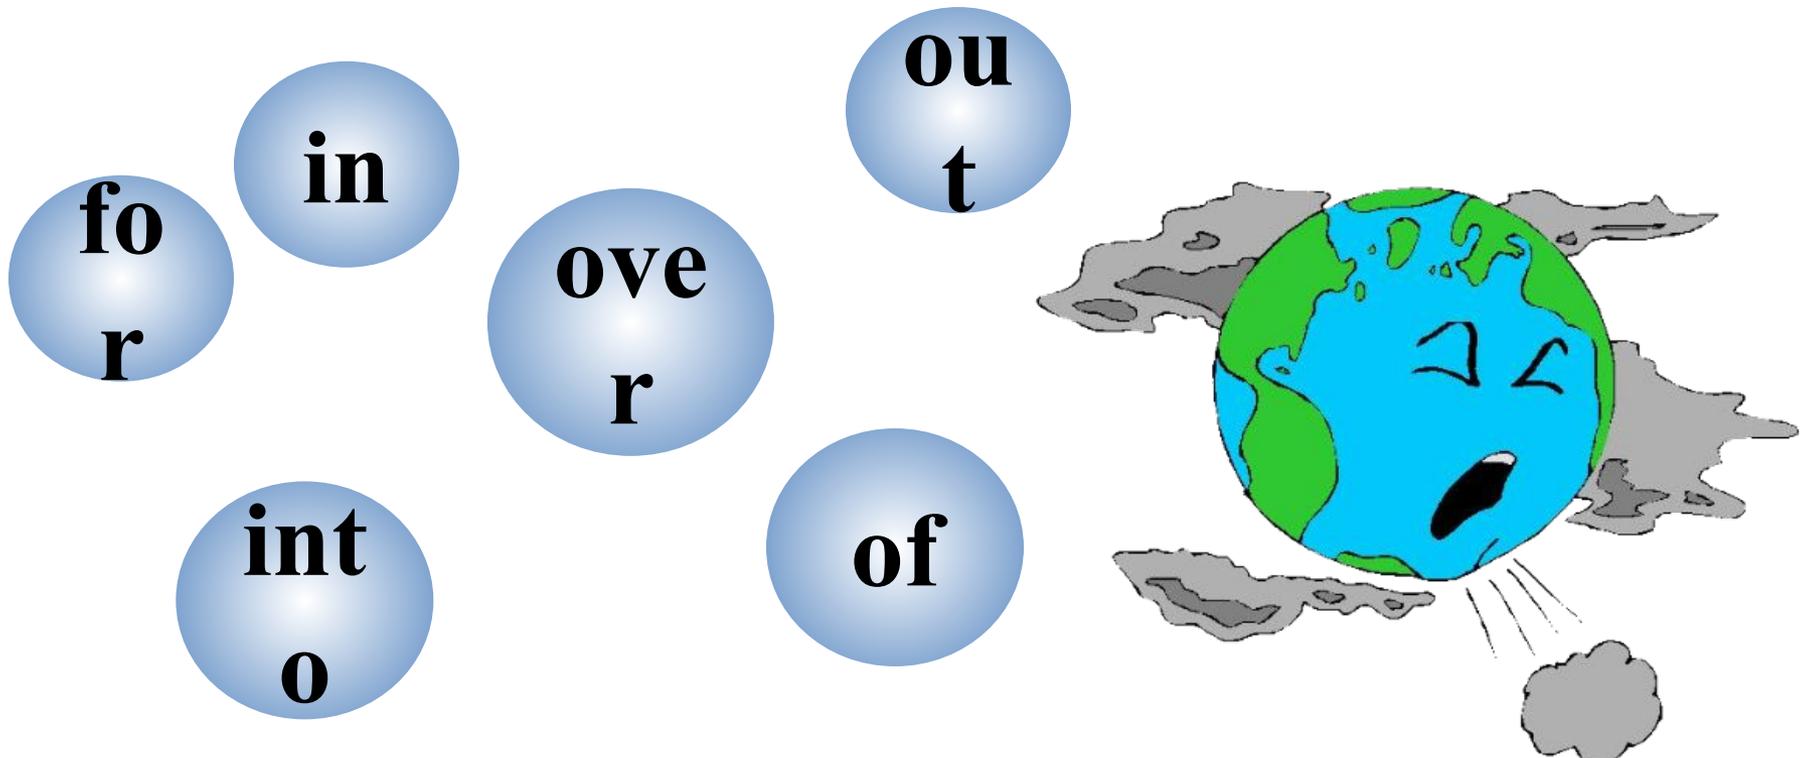

Air pollution

Nuclear pollution

Take care of the planet we live on, before it's too late.

**Stop the destruction of the
wildlife and countryside beauty,
because it can lead to a real
disaster.**
