- My favorite city - St. Petersburg.

St. Petersburg is an industrial, cultural and scientific centre. It was founded in 1703 by Peter I.

- There are over 80 museums, more than 20 theatres, a lot of exhibitions, clubs, universities, colleges, schools and parks.

- In St . Petersburg there are a lot of parks and gardens where citizens spend their free time. The Summer Garden is the oldest and most fascinating park.

- The most famous square in the city is the Palace Square with its magnificent ensemble. Here one can see the Winter Palace built by Rastrelli.
