# Read the text

- *Hitch-hiking- dangerous or safe*
- *Hitch-hiking is very popular with young people. Young people like to get free lifts from drivers of cars, lorries, etc.*

- *Hitch-hiking was once a cheap and friendly way to travel. It was also romantic, interesting and ...free!*
- *But now hitch-hiking is quite dangerous. We often hear or read that drivers attack or murder hitch-hikers. There are also hitch-hikers who rob drivers.*

- *Because of this some countries don't allow people to hitch-hike.*
