

The influence of music on human

- Music's interconnection with society can be seen throughout history. Every known culture on the earth has music. Music seems to be one of the basic actions of humans.

- The influence of music on society can be clearly seen from modern history. Music helped Thomas Jefferson write the Declaration of Independence. When he could not figure out the right wording for a certain part, he would play his violin to help him. The music helped him get the words from his brain onto the paper.

- It is evident in all facets of life that music plays an integral part in the moods we are in or want to be transplanted in.
- Music is all around us and many times can change the way we feel, whether it is only for a couple of minutes or for our entire lifetime. Music wakes us up in the morning, makes us want to dance, soothes us when we are feeling sad, and gets on some folks nerves in the elevator. From infancy to adulthood music is an important part of our lives.

- Everyone has repeatedly felt the magic of music. One memory of loved compositions can raise your mood and give a sense of joy . Playing a musical instrument or singing also cause the greatest pleasure and happiness. Almost all natural phenomena - the rustling leaves , wind noise , falling raindrops - contain their melodies , awakening in the hearts of people different emotions . Remain indifferent to the sounds may only people completely devoid of hearing. In modern medicine, undeniably positive effect of music on human use for the treatment of many disorders and ailments .

Music

Music is what makes you move
Music is what makes you groove
Music can be good or bad depending on how its used
Music can make you choose different clothes to wear
Music can make you change your hair
Music can make you choose new friends
Music can make you want to dance
Music can make you fight
Music can make everything alright
Music can take care of you when your alone
Music can make everything feel like home
Music can harm and take away
Music can make you want to stay
Music is the only friend I have
Music is my mom and dad
Music is what keeps me alive
When I feel like I can't survive Music

Music to Relax

Every beat, every tone
Music is rhythm of soul
Pop, Jazz and Country
Release all our worries

Music gives life a motion
Music controls every emotion
Music calms the mind
Music helps us – our way to find!

Music is inspiration
Music – full of imagination
Music has feelings
Music gives life a meaning

A Slow beat is silent word
A fast beat make you shrewd
Every moment its true worth
Music gives life – new birth
