

My journey to Turkey

This is the beautiful hotel where
we lived

My meeting with an African

Every night there was a kids disco

Even we had a fire show

My mom and I were flying with a parachute

In Turkey, there is a very beautiful sea

Look! What beautiful fish!

And beautiful pools!

My favorite hobby was to be on water rides

The restaurant was decorated in the form of pumpkin and watermelon

Here we are!

And this is me!

I with my brother

I'll try not to forget this trip to Turkey!
