Why do teens choose subcultures?

misunderstanding with parents, classmates

curiosity, show their individuality, follow their idols, protest against accepted norms of values, change their appearance, gather together, listen to music, use drugs

sick to understand

My attitude to the subcultures

- I have nothing against....
- I would like to know more about...
- I'm not interested in....
- I think it's a matter of the police and government
- I think they suffer from doing nothing
- I think they have serious problems with their brains
- I think they waste time and their lives

Thanks for your work!

Good luck!

See you in a week!
