

# The turnip

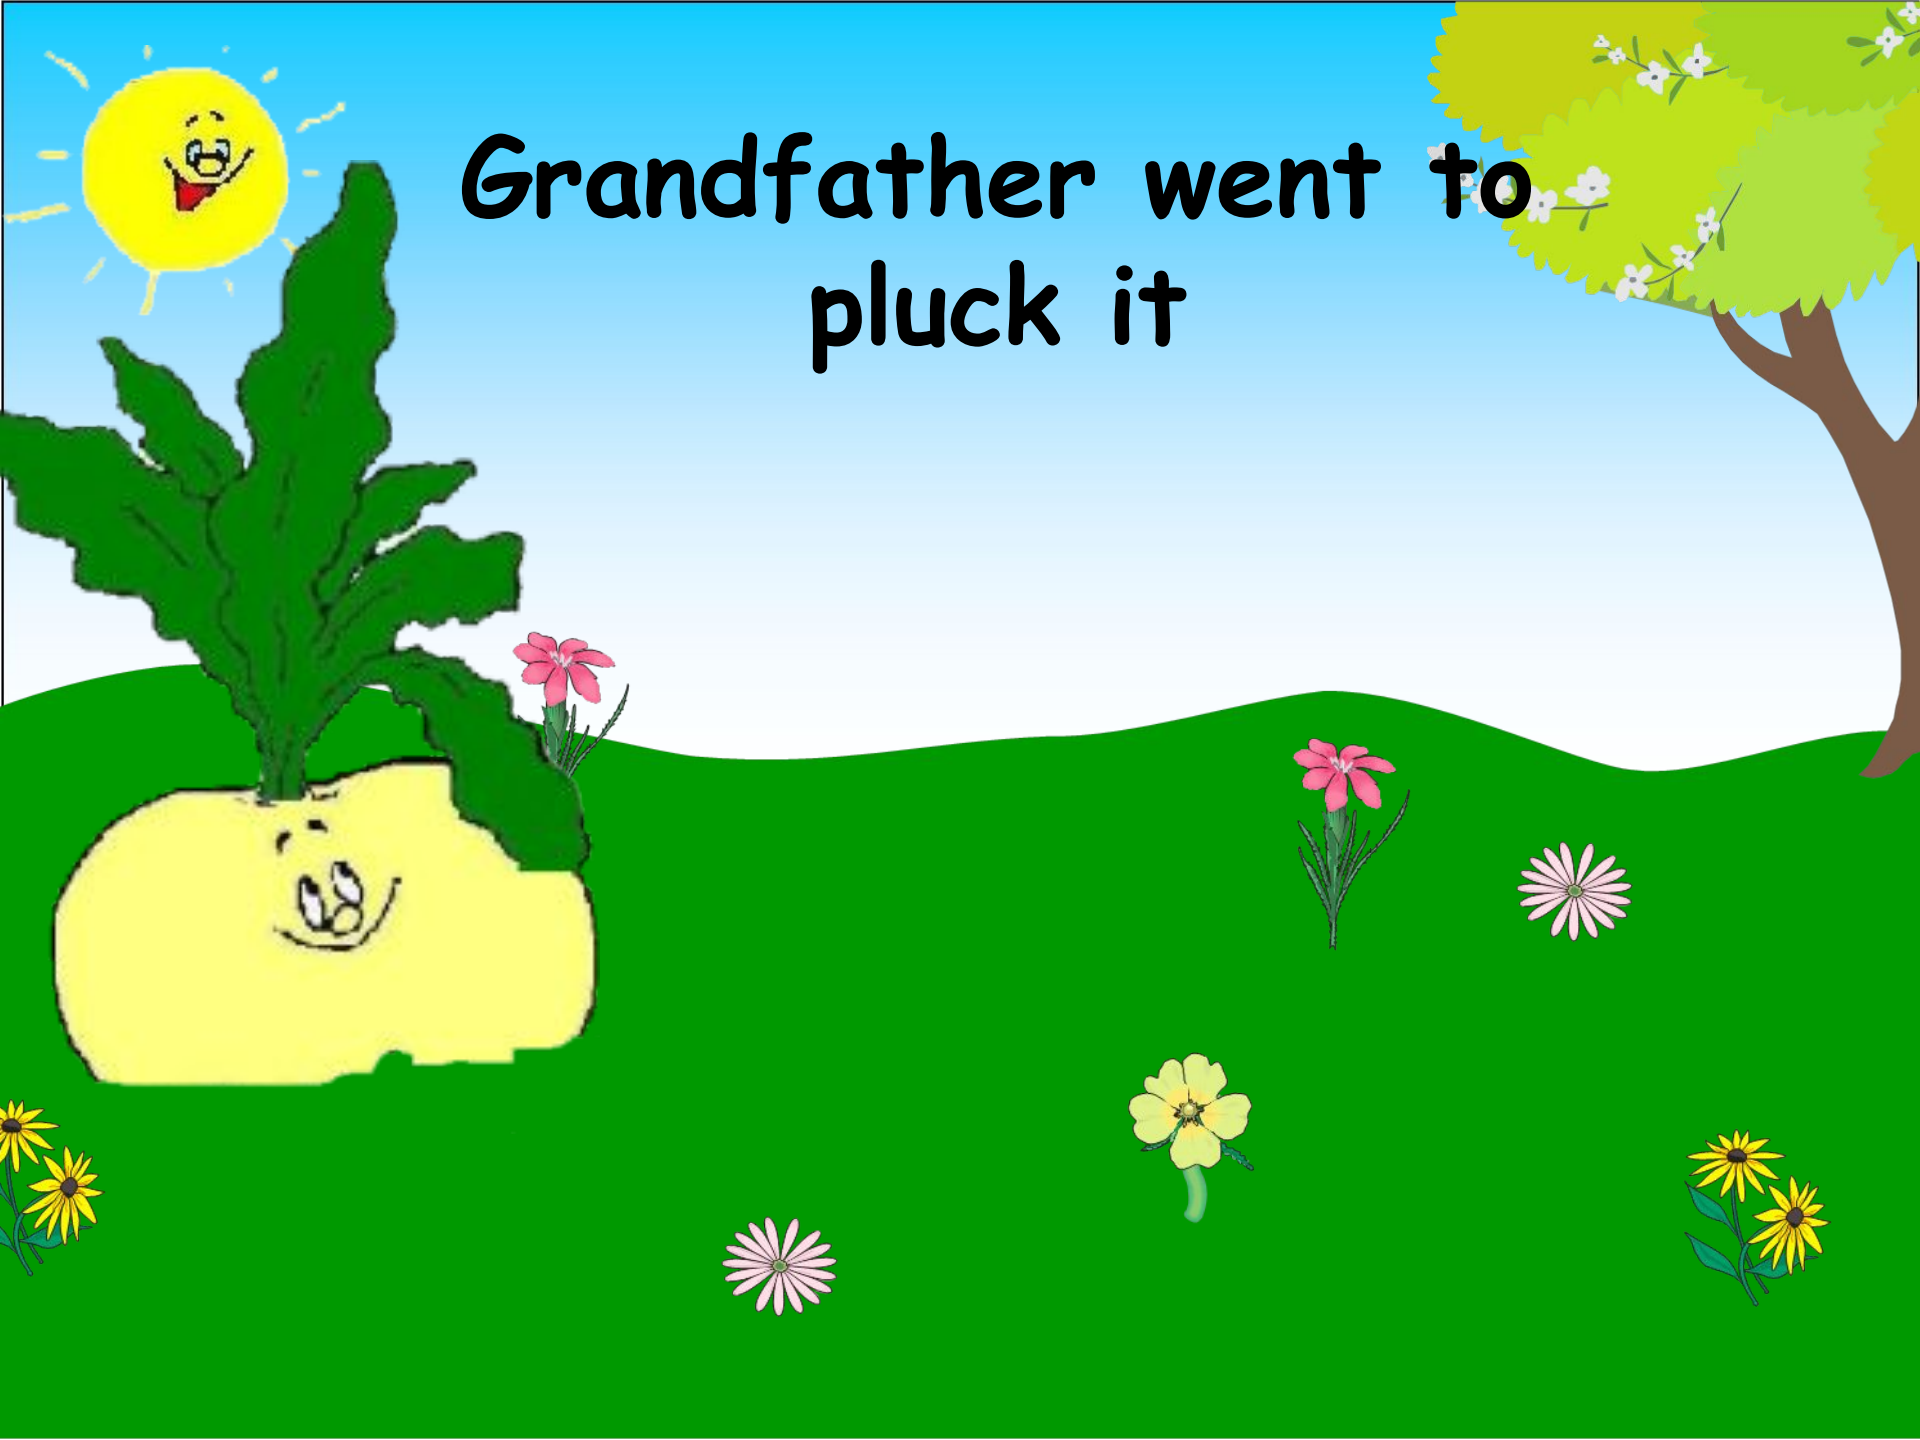

One day Grandfather  
planted a turnip

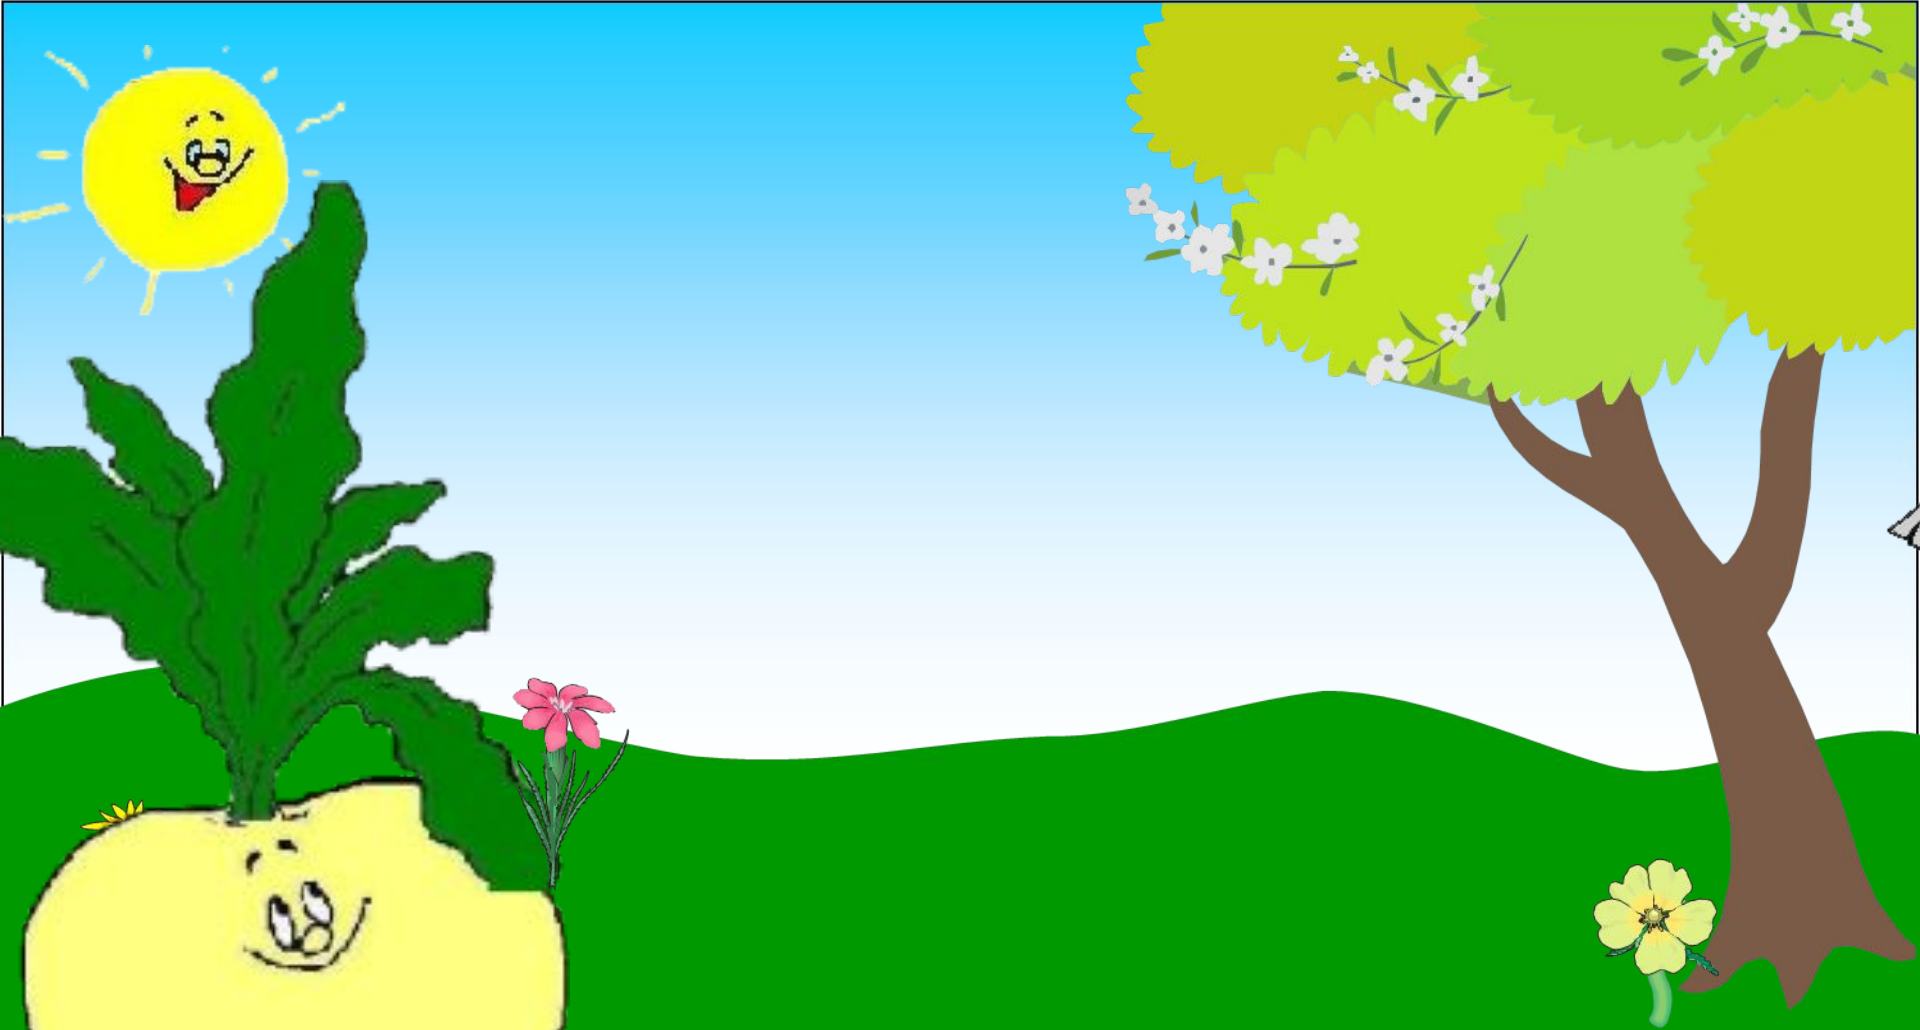

The turnip grew and  
grew till it was very,  
very big.

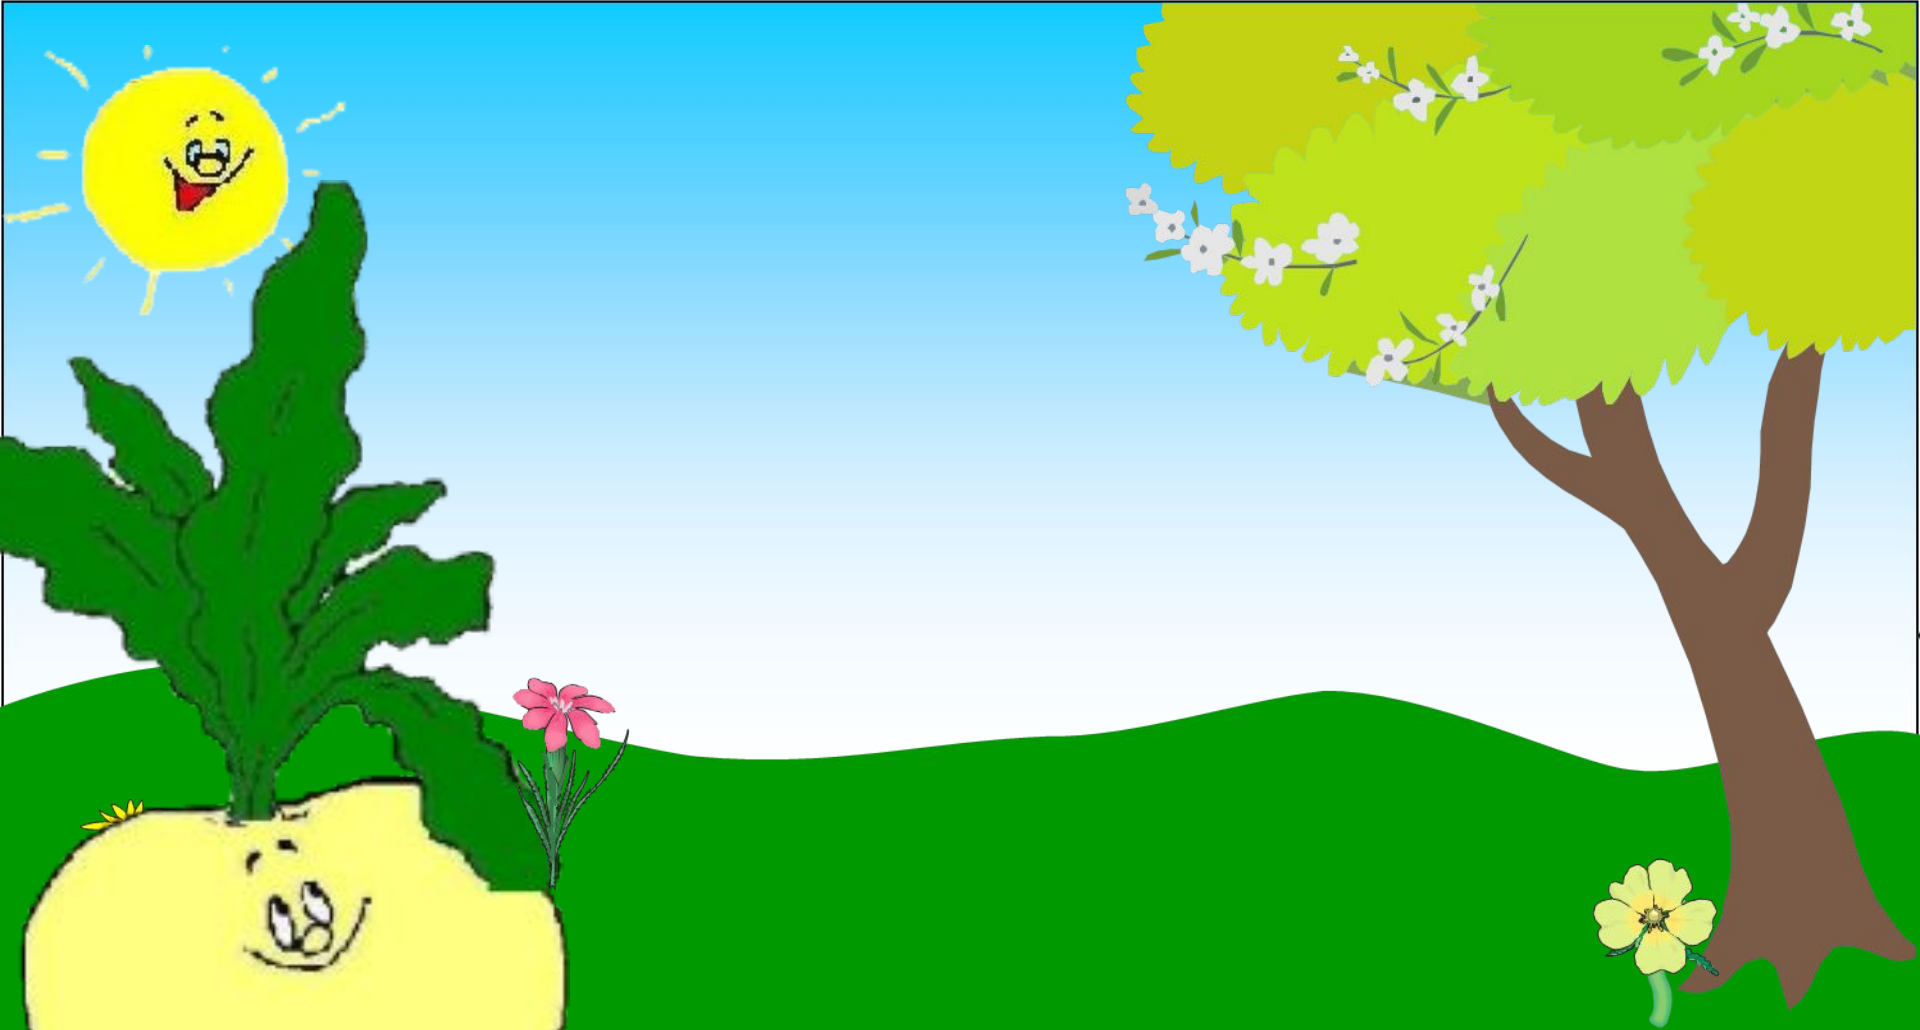

Grandfather went to  
pluck it

He pulled and pulled but he could not pull it out.

So he called a Grandmother.

He pulled and pulled  
but he could not pull it out.  
So he called a Granddaughter.

They pulled and pulled but could not pull it out.  
So they called a dog.

They pulled and pulled  
but could not pull it out.  
So they called a cat.

They pulled and pulled but could not  
pull it out.  
So they called a mouse.
