*I shall be **going to school** with friends tomorrow.*

*I shan't be **going to school** with friends tomorrow.*

*Shall I be **going to school or to cafe** with friends tomorrow?*

*I shall be **going to school** with friends tomorrow, shan't I?*

*Who will be **going to school** with friends tomorrow?*

What shall I be doing with friends tomorrow?

*Where shall I be **going** with friends tomorrow?*

*When shall I be **going to school** with friends?*

*With whom shall I be **going to school** tomorrow?*

*Why shall I be **going to school** with friends tomorrow?*
