

# THINK OF THE FUTURE !

What do you think are the most urgent ways to help the Earth?

МАГНИТОГОРСК, МОУ СОШ № 33 Чурилова А.П.

# Help the Earth !

---

- At home :

- 1 Don't throw away paper if you can use it for notes. Write on both sides of the paper.
- 2 Recycle old newspaper.
- 3 Save electricity .Turn the light off when you do not need them.
- 4 Save water. Turn the taps off when you are not using them.
- 5 Don't throw away old clothes. Recycle them.
- 6 Either don't buy drink in plastic bottles, or recycle the bottles.Buy cans or glass bottles.

# At school

---

1. Change your shoes when entering the school. If you don't the floor will be dirty and we will breath dusty air.
2. Don't throw chewing gum, plastic bags or bottles on the floor.
3. Pick up any litter you see find throw it in a dustbin.
4. Don't waste paper.
5. Don't damage school furniture. Save trees!
6. Take care of the flowers and plants in your classrooms and ntar your school.
7. Save electricity. Turn the light off when you don't need them.
8. Take care of your schoolyard. Give it a regular clean.
9. Be very attentive at the lessons of geography and biology and you will be able to help the earth.

# In the street

- 1 Pick up any litter you see when you walking.
- 2 Place litter in litter bins.
- 3 Never throw whole or broken glass bottles on the ground because ypu may harm the environment jr animals.
- 4 Plant a tree in front your house and your school.

# In the countryside

- 1 Never break off branches from the trees and bushes.
- 2 Don't leave paper and food in the woods.
- 3 Pick up all your litter and take it home.
- 4 Don't pick wild flowers.
- 5 Leave birds' nests alone or the chicks may die.
- 6 Don't throw anything into rivers or lakes.

# Some rules to protect the Earth

## ■ Dos

1. Ask your governments to make laws to protect air, water and soil.
2. Develop international cooperation to solve ecological problems together
3. Save water, gas, energy and other natural resources.
4. Keep your towns, cities and countryside clean.

## ■ Don`ts

1. Don`t waste water, gas, energy, natural resources.
2. Don`t poison the water, air and soil.
3. Don`t dump or pour industrial waste into rivers, lakes, seas and oceans.
4. Don`t turn the planet into a rubbish dump.
