Do you like animals?

Where can animals live?

Where can animals live?

Whipsnade Wild Animal Park.

Pause of relaxation

1828

Exotic animals

over 5.000 insects

more than 8 000 animals

comfortable cages.

**7. Answer the questions of Ex.19 p.109
and compare two places of animals'
living.**

ZOO

wild animal park

Why do people need zoos and wild animal parks?

What is good about them?

To sum up we all must pay great attention on protection of our nature: trees, flowers, animals, insects and fish. Also we must be kind to animals and take care of them.
