

Mini-project: «My native town».

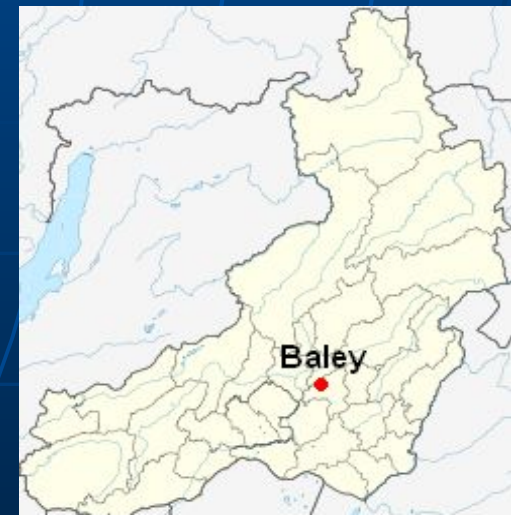

It was done by Beloborodova Ekaterina.
It was checked by Orlova N.V.

My native town.

I live in Baley. I was born in this town. I like my town very much. Baley differs from other provincial towns of Russia for me. Everything here is quiet, simple and calmly. Baley is a town and the administrative center of Baley District of Zabaykalsky Krai of Russia from 1938.

Baley locates on the Unda River in 350 kilometers east of Chita.

Population: 12 051 (2013 Census).

Internal division:

- Zolotaya Gorka

Otmahovo

• Novotroitsk

Taseevo

•Podkhoz

•Kamenka

Housing in Baley:

- Houses

- Flats

There is a bank, the multifunctional center, The house of Culture, recruitment office, libraries, the hospital, polyclinics, cafes and many shops in Baley.

House of Culture «Gornyak».

Recruitment office.

Store «999».

Store «Univermag».

Cafe «Maria».

Educational institutions.

Many young people from the nearby villages come to study and work in Baley.

There are good educational institutions here:

- School №5

•School №4

•School №14

- School №6

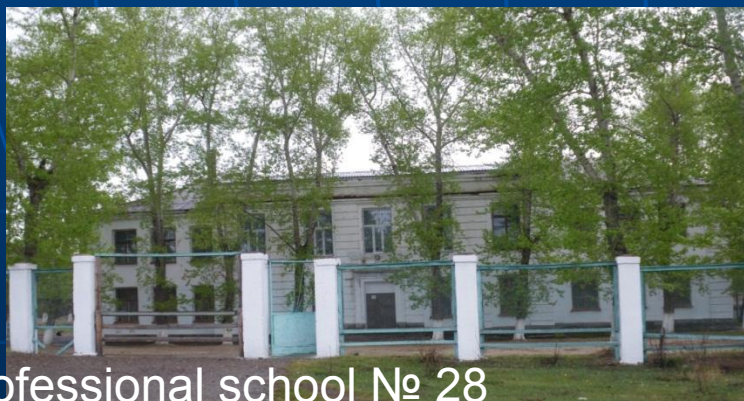

Pedagogical College

- School №15

Medical School

Professional school № 28

places of interest

- The Lenin monument

- Emblem of city

- Memorial to the Defenders of the Fatherland

- Monument home front workers

- Monument to Otmahova

- Worship cross

Natural landscape.

Thick forests with lots of animals, green fields, a river make the nature of Baley beautiful.
