

Higher education

education at a college or university where subjects are studied at an advanced level

The background of the image shows a close-up, low-angle view of a classical university building facade. It features large, light-colored stone columns and a decorative frieze. The word "UNIVERSITY" is partially visible in large, raised, serif letters on the building's surface. A dark blue rectangular box is overlaid on the upper portion of the image, containing the text "What is higher education?".

What is higher
education?

The background of the slide features a light blue sky with several black graduation caps (mortarboards) with blue tassels. In the lower portion, several hands are visible, some in white sleeves, gesturing as if in a presentation or discussion.

Goal

- This lesson you will learn what is it like to study at university. Who works there, what can you do there? What are the facilities?
- Today we will learn new vocabulary, describe some pictures and make up some sentences.
- Surprise!
